

1993

## Bulletin Index: Volume 78, Numbers 1-12

### Author Index

#### A

- ABCARIAN, HERAND**, American Board of Colon and Rectal Surgery, 12:42  
**ADELMAN, SUSAN HERSHBERG**, Enterprise liability as an alternative to tort reform, 9:34  
**ARENS, JAMES F.**, Substance abuse: One anesthesiologist's perspective, 11:10  
**ASSOCIATION OF DIRECTORS OF ANATOMIC AND SURGICAL PATHOLOGY**, Immediate management of mammographically detected breast lesions, 6:16

#### B

- BAILEY, BYRON J.**, American Board of Otolaryngology, 12:49  
**BAILEY, GREGORY J.**, Three-dimensional imaging in microsurgery, 4:20  
**BENSON, SALLY J.**, Development Committee continues activities, 9:53  
—Development Office reports recent activities, 2:34  
**BLAND, KIRBY I.**, Breast enlargement by fat injection: The risks involved, 2:25  
—Student curriculum: Is radical change necessary? 1:27  
**BLOCK, GEORGE E. and DEAN, BARBARA L.**, General Surgeon News: The College's Spring Meeting: A forum for general surgeons, 1:31  
**BRODSON, JOHN N.**, Highlights of 1992 College business activities, 1:36  
**BROWN, CYNTHIA A.**, Health care policymakers in Washington, 8:15  
—Representing the surgical specialty societies in Washington, DC, 5:15  
—Washington update on trauma issues, 11:21  
—What surgeons should know about ... The 1993 Medicare fee schedule, 2:6

#### C

- CAHILL, NANCY**, Preliminary survey findings: Reusable vs. disposable laparoscopic instruments, 5:28

- CHIU, RAY C.-J., and OLAK, JEMI**, A surgeon's guide to biostatistical inferences: Part I, 1:20  
—Part II, 2:27  
—Part III, 3:15  
**CONOMIKES, GEORGE**, The Bottom Line: Use flow sheets to improve surgical scheduling, 12:36  
**CRAWFORD, J. BROOKS**, American Board of Ophthalmology, 12:47

#### D

- D'AMBROSIA, ROBERT D.**, What's new in orthopaedic surgery, 3:20  
**DASCHLE, NATHAN, KELLEHER, DENNIS L., and TRASK, ARTHUR L.**, Trauma services at Fairfax Hospital: An educational externship, 7:14  
**DEAN, BARBARA L., and BLOCK, GEORGE E.**, General Surgeon News: The College's Spring Meeting: A forum for general surgeons, 1:31  
**DUBIN, WILLIAM R.**, Clinician safety, 8:9

#### E

- EBERT, PAUL A.**, As I see it, 1:2 (evaluation and management services); 2:2 (ethics); 3:2, 5:3, 12:2 (health care reform, physicians' proposals); 4:2, 9:2 (physician reimbursement); 7:2 (education, medical/standards); 6:2, 8:2, 11:2 (credentialing) (cost containment and calculation); 10:2 (health care delivery systems)  
**ELLENBERGER, ARTHUR R.**, The Bottom Line: Managed care and physician contracting skills: Questions to ask, 5:30  
**ENGELHARDT, H. TRISTRAM, JR.**, National health care policy: The moral issues, 4:10

#### F

- FABER, L. PENFIELD**, American Board of Thoracic Surgery, 12:55  
**FOLSE, ROLAND**, Surgeons as educators: College aims to improve teaching skills, 3:31  
**FONKALSRUD, ERIC W.**, Citation for Professor Michael Trede, 11:44

**FOSTER, ROGER S., JR.**, Adjuvant chemotherapy for breast cancer: Modest but clinically important benefits, 6:18

—Citation for Professor Jin-Pok Kim, 11:43

**FREY, CHARLES F.**, Governors at Work: The Committee on Ambulatory Surgical Care, 1:34, 12:39

## G

**GAGE, JOHN O.**, Governors at Work: The Committee on Socioeconomic Issues, 3:40

—What surgeons should know about . . . The AMA/Specialty Society RVS Update Committee (RUC), 6:7

**GERBIE, ALBERT B.**, American Board of Obstetrics and Gynecology, 12:44

## H

**HANLON, C. ROLLINS**, Former Assistant Director, Harold Zintel, dies, 6:45

**HATLIE, MARTIN J.**, and **JOHNSON, ILENE DAVIDSON**, ADR mechanisms for medical liability claims: An overview of state and federal proposals, 10:20

**HAUG, JAMES N.**, Getting involved in the legislative process: The do's and the don'ts, 4:31

**HERMANN, ROBERT E.**, and **THOMPSON, JAMES C.**, The ACS Development Program and Surgical Research and Education: A five-year report, 11:33

**HILL, CATHERINE JEAKLE**, Germans reexamine health care system, 9:11

## J

**JOHNSON, ILENE DAVIDSON**, and **HATLIE, MARTIN J.**, ADR mechanisms for medical liability claims: An overview of state and federal proposals, 10:20

**JONES, R. SCOTT**, General Surgeon News: "Town meeting" offers general surgeons an open forum, 9:42

## K

**KARNELL, LUCY HYNDS**, Socioeconomic characteristics of the Fellowship, 3:44

**KEENER, ELLIS B.**, Governors at Work: The Committee to Study the Fiscal Affairs of the College, 2:33

**KELLEHER, DENNIS L.**, **DASCHLE, NATHAN**, and **TRASK, ARTHUR L.**, Trauma services at Fairfax Hospital: An educational externship, 7:14

**KRIDELBAUGH, WILLIAM W.**, and **PALMISANO, DONALD J.**, Compensation caps for medical malpractice, 4:27

## L

**LAWRENCE, WALTER, JR.**, The Commission on Cancer and the American Cancer Society: Partners in cancer control, 7:19

**LEFFALL, LaSALLE D., JR.**, Access to surgical care in the inner cities: One provider's perspective, 4:15

**LEOPOLD, JACQUELINE**, The Bottom Line: MDs can and should do their own coding of claims: Here's how, 8:38

**LEWIS, FRANK R., JR.**, Report of the Chairman of the Board of Governors, 12:32

**LIGHTFOOT, SUSAN A.**, A history of physician payment policies under Medicare, 6:32

—General Surgeon News: Many general surgery work values increased, 3:34

—What surgeons should know about . . . Medicare volume performance standards, 3:5

—What surgeons should know about . . . Practice expenses, 9:6

—(and **MARTIN, JANET L.**) Medicare volume performance standards and Part B spending, 9:25

**LIU, JOSEPH TIANG-YAU**, Oregon's experiment: Just another Medicaid cutback, 3:9

**LoCICERO, JOSEPH III**, What's new in general thoracic surgery, 3:23

**LOOP, FLOYD D.**, George W. Crile: The father of physiologic surgery, 8:24

**LYNCH, JOHN P.**, Highlights of the Board of Regents meeting, October 9-11 and October 16, 1992, 2:39

## M

**MacLEAN, LLOYD D.**, Presidential Address: Wangenstein's Surgical Forum: A legacy of research, 12:8

**MALKASIAN, GEORGE D., JR.**, The 1992 ACOG survey: Professional liability: Is gender a factor?, 11:26

**MANNICK, JOHN A.**, What's new in peripheral vascular surgery, 3:27

**MARON, ANDREA CUMBEE**, Congress at work: An overview of the legislative process, 10:11

**MARTIN, JANET L.**, and **LIGHTFOOT, SUSAN A.**, Medicare volume performance standards and Part B spending, 9:25

**McDONALD, JOHN C.**, The politics of transplantation: Paving the way for reform?, 2:10

- MUELLER, C. BARBER**, The case against the use of adjuvant chemotherapy in breast cancer, 6:25  
**MURRAY, DAVID G.**, Citation for Professor Panagiotis E. Balas, 11:40

## O

- OLAK, JEMI, and CHIU, RAY C.-J.**, A surgeon's guide to biostatistical inferences: Part I, 1:20  
 —Part II, 2:27  
 —Part III, 3:15

## P

- PALMISANO, DONALD J., and KRIDEL-BAUGH, WILLIAM W.**, Compensation caps for medical malpractice, 4:27  
**PARKS, PATRICIA**, The American College of Surgeons and physician payment reform: A review, 11:15  
**PEEBLES, RHONDA J.**, Chapter news, 4:39, 6:48, 8:49, 10:34, 12:74  
**PERLMUTTER, ALAN D.**, American Board of Urology, 12:56  
**POLITSER, PAM**, Canadian health care system faces growing economic challenges, 9:11  
 —Physician groups define positions on health care reform, 2:15  
 —What surgeons should know about . . . Electronic billing and related issues, 4:6  
**PUCKETT, C. LINWOOD**, American Board of Plastic Surgery, 12:50

## R

- REEMTSMA, KEITH**, Past ACS President Frank Stinchfield dies, 4:33  
**REGNIER, STEPHEN J.**, Symposium underscores value of OR teamwork, 7:73  
 —Young surgeons examine forces influencing medical practice, 6:36  
**RHODES, ROBERT S.**, Governors at Work: The Committee on AIDS, 12:38  
 —HIV and the surgical team: An update, 2:20  
**ROOT, HARLAN D.**, Governors at Work: The Committee on Chapter Activities, 1:35, 12:41  
**RUDOWSKI, WITOLD J.**, Clandestine medical education in Poland 1939-1945, 1:6

## S

- SCHMITZ, ROBERT L.**, Dr. Murphy's contributions to ACS and surgery remembered, 10:25

- SCHNEIDMAN, DIANE**, Health care reform at the state level, 1:15  
 —1993 health care reforms at the state level: An update, 12:17  
 —The public dissemination of physician-specific mortality data: Who has the right to know?, 8:31  
 —State-level health care initiatives pose new problems for surgeons, 10:6  
**SHUCART, WILLIAM A.**, American Board of Neurological Surgery, 12:43  
**SHUCK, JERRY M.**, American Board of Surgery, 12:52  
**SIEGEL, BERNARD S.**, Spectrum: Surgery: Mechanical or healing art? 9:40  
**SMITH, ROBERT B. III**, Governors at Work: The Committee on Surgical Practice in Hospitals, 1:33  
**SPENCER, FRANK C.**, Introduction to **WARSHAW, ANDREW L.**, Black, white, and shades of gray: A new approach to malpractice dispute settlement, 7:6  
**SPENGLER, DAN M.**, American Board of Orthopaedic Surgery, 12:49  
**STOMBLER, ROBIN E.**, Breast implants and the FDA: Past, present, and future, 6:11  
 —Chicago chapter visits Capitol Hill, 5:34  
 —Congressional aides experience a day in the life of a surgeon, 6:41  
 —May marks visit to Capitol Hill, 8:41  
 —Senator Bradley talks health care reform with DC surgeons, 8:42  
 —What surgeons should know about . . . Ambulatory surgery, 8:6  
 —What surgeons should know about . . . Medical liability reform and the federal government, 11:6

## T

- THAL, ERWIN R.**, Out of apathy, 5:6  
**THOMPSON, JAMES C., and HERMANN, ROBERT E.**, The ACS Development Program and Surgical Research and Education: A five-year-report, 11:33  
**THOMPSON, JON S.**, Experiences in Australia, 12:64  
**THORNE, JEAN I.**, As the nation waits, Oregon moves forward, 3:8  
**TOMPKINS, RONALD K.**, Governors at Work: The Committee on Physicians' Health, 2:32  
**TRASK, ARTHUR L., DASCHLE, NATHAN, and KELLEHER, DENNIS L.**, Trauma services at Fairfax Hospital: An educational externship, 7:14

## V

- VALERI, C. ROBERT**, Transfusion medicine and surgical practice, 9:19

**VOYLES, C. RANDLE**, Another view: Reusable vs. disposable laparoscopic instruments, 9:38

## W

**WALT, ALEXANDER J.**, Report of the Chairman of the Board of Regents, 12:29

**WARSHAW, ANDREW L.**, Black, white, and shades of gray: A new approach to malpractice dispute settlement, 7:6

**WHEELER, H. BROWNELL**, Myth and reality in general surgery, 5:21

**WILLMAN, VALLEE L.**, Citation for Professor Donald Nixon Ross, 11:42

# Subject Index

## A

### AIDS

ACS/CDC conference scheduled for February, 12:58  
ACS/CDC to hold blood-borne pathogen conference in 1994, 7:89, 8:49, 9:59

Governors at Work: The Committee on AIDS (Rhodes), 12:38

HIV and the surgical team: An update (Rhodes), 2:20  
Transfusion medicine and surgical practice (Valeri), 9:19

### AMBULATORY CARE

Dateline: Washington: ASC payment for lithotripsy approved, 11:5

Governors at Work: The Committee on Ambulatory Surgical Care (Frey), 1:34, 12:39

What surgeons should know about ... Ambulatory surgery (Stomblor), 8:6

### AMERICAN COLLEGE OF SURGEONS

#### Annual Meeting

—Annual Meeting of Fellows, American College of Surgeons, 9:49

#### Awards

- Barry Manual receives top College honor, 11:39
- Dr. Jacobson to receive philanthropy award, 9:49
- Florida chapter presents award, 2:47
- New Physician Recognition Award available (Peebles), 8:44
- 1994 scholarships, fellowships, and career development award available, 3:52
- Resident winners announced in Michigan (Peebles), 8:44
- Surgeon's gift funds innovation award, 3:51

### BULLETIN

- Bulletin of the American College of Surgeons* instructions to authors, 1:47, 2:43
- Correction, 5:40
- Statement of ownership, management, and circulation, 12:77

### Business and finance

- Highlights of 1992 College business activities (Broderick), 1:36
- Governors at Work: The Committee to Study the Fiscal Affairs of the College (Keener), 2:33

### Chapters

- Chapter giving, 2:46
- Chapter name change (Peebles), 8:44
- Chapter officers discuss leadership issues, 9:52
- Chicago Chapter visits Capitol Hill (Stomblor), 5:34
- Chiefs of surgery to meet in Florida (Peebles), 6:49
- College forms new chapter in India (Peebles), 12:74
- College to host seminar for chapter officers, 5:44
- Common characteristics of successful chapters (Peebles), 12:74
- DC hosts young surgeons, 2:47
- Florida chapter presents award, 2:47
- Getting involved, 2:46
- Help with estate planning (Peebles), 6:48
- Hospital liaisons meet in New Jersey (Peebles), 6:48
- Improving chapter relations and management (Peebles), 4:39
- Italian chapter features minimally invasive surgical procedures (Peebles), 10:35
- Joint sponsorship of chapter meetings (Peebles), 4:39
- May marks visit to Capitol Hill (Stomblor), 8:41
- New newsletters (Peebles), 12:74
- Newsletter grant project, 2:46
- Newsletter reintroduced (Peebles), 6:48
- 1993 chapter officers' seminar, 2:47
- 92nd chapter welcomed, 2:47
- Notice to chapter officers and administrators (Peebles), 4:39
- Ohio Cancer Committee conducts survey (Peebles), 6:48
- Pennsylvania chapters tackle health care reform (Peebles), 10:35
- San Diego chapter conducts health care reform program (Peebles), 10:34

- Senator Bradley talks health care reform with DC surgeons (Stompler), 8:42
- Update: Ohio Chapter Cancer Committee (Peebles), 10:35

#### **Clinical Congress**

- 1992 Clinical Congress videotapes available, 5:36
- Cancer meetings planned for Clinical Congress, 9:51
- Clinical Congress 1993: Highlights, 12:23
- Clinical Congress offers named lectures, 8:46
- Clinical Congress will feature youth camp, tours, 6:49
- Contributions to the 1994 Surgical Forum are requested, 12:68
- Initiates' program will focus on quality and ethics, 9:51
- Scientific contributions sought for 1994 Clinical Congress, 12:67
- Preliminary program for Clinical Congress 1993, San Francisco—October 10-15, 7:25
- SESAP '94-'95 will debut at Clinical Congress, 8:43, 9:54
- Trauma Motion Picture Session videotape guidelines, 12:66
- Workshop to consider standards in residency programs, 9:55

#### **Committees**

- CMC Committee is disbanded, 4:37
- Governors at Work: The Committee on AIDS (Rhodes), 12:38
- Governors at Work: The Committee on Ambulatory Surgical Care (Frey), 1:34, 12:39
- Governors at Work: The Committee on Chapter Activities (Root), 1:20, 12:41
- Governors at Work: The Committee on Socioeconomic Issues (Gage), 3:40
- Governors at Work: The Committee to Study the Fiscal Affairs of the College (Keener), 2:33
- 1993 Residents' Trauma Papers Competition winners announced, 6:43, 6:36
- Update: Ohio Chapter Cancer Committee (Peebles), 10:35
- Young surgeons examine forces influencing medical practice (Regnier), 6:36

#### **Development**

- The ACS Development Program and Surgical Research and Education: A five-year report (Hermann and Thompson), 11:33
- Cancer programs available for presentation at the chapter level (Peebles), 8:44
- Development Committee continues activities (Benson), 9:53
- Development Office reports recent activities (Benson), 2:34
- Dr. Jacobson to receive philanthropy award, 9:49
- Highlights of 1992 College business activities (Broderick), 1:36

- Membership update (Peebles), 8:44
- Surgeon's gift funds innovation award, 3:51

#### **Dues**

- Highlights of 1992 College business activities (Broderick), 1:36

#### **Fellows**

- Dr. Murphy's contributions to ACS and surgery remembered (Schmitz), 10:25
- Fellows and facts, 4:40
- Former Assistant Director, Harold Zintel, dies (Hanlon), 6:45
- George W. Crile: The father of physiologic surgery (Loop), 8:24
- Membership update (Peebles), 8:45
- Past ACS President Frank Stinchfield dies (Reemtsma), 4:33
- Socioeconomic characteristics of the Fellowship (Karnell), 3:44

#### **History**

- George W. Crile: The father of physiologic surgery (Loop), 8:24

#### **Honorary Fellowships**

- ACS awards Honorary Fellowships, 11:39
- Citation for Professor Donald Nixon Ross (Willman), 11:42
- Citation for Professor Jin-Pok Kim (Foster), 11:43
- Citation for Professor Michael Trede (Fonkalsrud), 11:44
- Citation for Professor Panagiotis E. Balas (Murray), 11:40

#### **Insurance**

- ACS insurance program note, 1:36
- Highlights of 1992 College business activities (Broderick), 1:36

#### **Officers and staff**

- Chapter officers discuss leadership issues, 9:52
- Clinical Congress 1993: Highlights, 12:23
- Dr. MacLean installed as ACS President, 11:38
- Olga Jonasson joins ACS staff, 3:41
- Past ACS President Frank Stinchfield dies (Reemtsma), 4:33
- Rosemarie Clive rejoins Cancer Department, 3:41

#### **Presidential Address**

- Presidential Address: Wangenstein's Surgical Forum: A legacy of research (MacLean), 12:28

#### **Regents, Board of**

- Highlights of the Board of Regents meeting October 9-11 and October 16, 1992 (Lynch), 2:39

#### **Reports to the Fellows**

- Report of the Chairman of the Board of Governors (Lewis), 12:32
- Report of the Chairman of the Board of Regents (Watt), 12:29

#### **Scholarships and fellowships**

- Additional resident scholarship awarded for 1993, 4:35

- International guest scholarships available, 11:47
  - 1993 Faculty Fellowships awarded, 4:34
  - 1993 international scholars selected, 1:50
  - 1993 Residents' Trauma Papers Competition, 7:92
  - 1993 scholarships awarded, 1:49
  - 1994 scholarships, fellowships, and career development award available, 3:52
  - SmithKline Beecham to sponsor scholarship, 5:40
  - Surgical research clearinghouse, 2:49
  - Travelling fellowship offered, 11:48
  - Travelling fellowship recipient announced, 11:45
- SESAP**
- SESAP '94-'95 will debut at Clinical Congress, 8:43, 9:54

#### Spring Meeting

- General Surgeon News: The College's Spring Meeting: A forum for general surgeons (Block and Dean), 1:31
- General Surgeon News: "Town meeting" offers general surgeons an open forum (Jones), 9:42
- Montreal hosts 21st Annual Spring Meeting, April 25-28, 1993, 1:38
- 1994 Spring Meeting set for DC, 12:61

#### Statements

- Statement on Laparoscopic and Thoracoscopic Procedures, 9:48

#### Symposia and workshops

- ACS/CDC conference scheduled for February, 12:58
- ACS/CDC to hold blood-borne pathogen conference in 1994, 7:89, 8:49, 9:59
- ACS to cosponsor American-Hellenic Surgical Congress, 12:62
- Call for papers at joint meeting in Athens, 6:46, 8:51, 9:57
- Chapter officers discuss leadership issues, 9:52
- College to host OR Symposium VIII, 3:48
- Surgeons as educators: College aims to improve teaching skills (Folse), 3:31
- Trauma meeting to be held in Atlantic City, 2:35
- Trauma meetings calendar, 2:35, 10:33

#### Testimony

- ACS comments on inflatable breast implants, 5:42
- The American College of Surgeons and physician payment reform: A review (Parks), 11:15
- Dateline: Washington: ACS comments on testicular implants, 7:5
- Dateline: Washington: ACS testifies at trauma hearings, 6:6
- Dateline: Washington: ACS testifies on Medicare reimbursement, 5:4
- Dateline: Washington: ACS testifies on trauma appropriations, 4:4
- Dateline: Washington: ACS wins HCFA contract, 8:5
- Dateline: Washington: College testifies before PPRC, 2:4

- Dateline: Washington: Special report: Health reform proposals introduced: ACS testifies, 12:3
- Representing the surgical specialty societies in Washington, DC (Brown), 5:15

## C

### CANCER

- ACR to hold breast cancer conference in Palm Springs, 10:33
- Adjuvant chemotherapy for breast cancer: Modest but clinically important benefits (Foster), 6:18
- Cancer meetings planned for Clinical Congress, 9:51
- The case against the use of adjuvant chemotherapy in breast cancer (Mueller), 6:25
- The Commission on Cancer and The American Cancer Society: Partners in cancer control (Lawrence), 7:19
- Immediate management of mammographically detected breast lesions (Association of Directors of Anatomic and Surgical Pathology), 6:16
- 1994 Cancer Management Course schedule, 12:75
- Ohio Cancer Committee conducts survey (Peebles), 6:48

**COLON AND RECTAL SURGERY**, American Board of Colon and Rectal Surgery (Abcarian), 12:42

### COMMUNITY RELATIONS

- Chapter News: Getting involved, 2:46
  - Chapter News: The Committee on Chapter Activities, 1:35
  - Clinician safety (Dubin), 8:9
  - Congressional aides experience a day in the life of a surgeon (Stomler), 6:41
  - Congressional staffers capture day in the life of surgeons, 10:29
  - Dateline: Washington: Access to data bank discussed, 8:5
  - Dateline: Washington: Medicare participation rates increase, 9:4
  - Getting involved in the legislative process: The do's and the don'ts (Haug), 4:31
  - Improving chapter relations and management (Peebles), 4:39
  - The public dissemination of physician-specific mortality data: Who has the right to know? (Schneidman), 8:31
- COST CONTAINMENT AND CALCULATION**
- Another view: Reusable vs. disposable laparoscopic instruments (Voyles), 9:38
  - As I see it (Ebert), 6:2, 8:2, 12:2
  - The Bottom Line: MDs can and should do their own coding of claims: Here's how (Leopold), 8:38
  - Compensation caps for medical malpractice (Kridelbaugh and Palmisano), 4:27

Dateline: Washington: HCFA issues 1994 Medicare fee schedule, 1:4

Preliminary survey findings: Reusable vs. disposable laparoscopic instruments (Cahill), 5:28

What surgeons should know about . . . Medicare volume performance standards (Lightfoot), 3:5

What surgeons should know about . . . Practice expenses (Lightfoot), 9:6

#### **CREDENTIALLING**

As I see it (Ebert), 8:2, 11:2

## **E**

### **EDUCATION, MEDICAL**

#### **History**

—Clandestine medical education in Poland 1939-1945 (Rudowski), 1:7

—Dr. McPhedran chronicles history of Canadian medical schools, 10:31

—Dr. Murphy's contributions to ACS and surgery remembered (Schmitz), 10:25

—George W. Crile: The father of physiologic surgery (Loop), 8:24

#### **Standards**

—As I see it (Ebert), 7:2

—Dateline: Washington: Physician work force proposal introduced, 9:5

—Dateline: Washington: PPRC issues 1993 report, 5:5

—General Surgeon News: "Town meeting" offers general surgeons an open forum (Jones), 9:44

—Myth and reality in general surgery (Wheeler), 5:21

—Out of apathy (Thal), 5:6

—Student curriculum: Is radical change necessary? (Bland), 1:27

—Surgeons as educators: College aims to improve teaching skills (Folse), 3:31

—Trauma services at Fairfax hospital: An educational externship (Kelleher, Trask, and Daschle), 7:14

—Women surgeons offer manual for interns and residents, 9:60

—Workshop to consider standards in residency programs, 9:55

#### **ETHICS**

As I see It (Ebert), 2:2

As the nation waits, Oregon moves forward (Thorne), 3:8

Dateline: Washington: Health care is declared a basic right, 3:4

Initiates' program will focus on quality and ethics, 9:51

National health care policy: The moral issues (Engelhardt), 4:10

Oregon's experiment: Just another Medicaid cutback (Liu), 3:9

The public dissemination of physician-specific mortality data: Who has the right to know? (Schneidman), 8:31

Spectrum: Surgery: Mechanical or healing art? (Siegel), 9:40

### **EVALUATION AND MANAGEMENT SERVICES**

As I see it (Ebert), 1:2

What surgeons should know about . . . The 1993 Medicare fee schedule (Brown), 2:6

## **F**

### **FEDERAL APPOINTMENTS**

Dateline: Washington: House makes key committee assignments, 2:5

Dateline: Washington: Shalala nominated as HHS secretary, 2:5

## **H**

### **HEALTH CARE DELIVERY SYSTEMS**

Access to surgical care in the inner cities: One provider's perspective (Leffall), 4:15

As I see it (Ebert), 8:2, 10:2

The Bottom Line: Use flow sheets to improve surgical scheduling (Conomikes), 12:36

Canadian health care system faces growing economic challenges (Politzer), 9:11

Germans reexamine health care system (Hill), 9:11

Out of apathy (Thal), 5:6

The politics of transplantation: Paving the way for reform? (McDonald), 4:10

Preliminary survey findings: Reusable vs. disposable laparoscopic instruments (Cahill), 5:28

The public dissemination of physician-specific mortality data: Who has the right to know? (Schneidman), 8:31

### **HEALTH CARE POLICY, NATIONAL**

Dateline: Washington: Health care is declared a basic right, 3:4

Dateline: Washington: President issues 1994 budget, 5:4

Dateline: Washington: President outlines reform plan, 11:4

Dateline: Washington: President proposes Medicare cuts, 4:4

Health care policymakers in Washington (Brown), 8:15

National health care policy: The moral issues (Engelhardt), 4:10

### **HEALTH CARE POLICY, STATE**

ADR mechanisms for medical liability claims: An overview of state and federal proposals (Hatlie and Johnson), 10:20

As the nation waits, Oregon moves forward (Thorne), 3:8  
Black, white, and shades of gray: A new approach to malpractice settlement (Warshaw), 7:6  
Compensation caps for medical malpractice (Kridelbaugh and Palmisano), 4:27  
Enterprise liability as an alternative to tort reform (Adelman), 9:34  
Health care reform at the state level (Schneidman), 1:15  
Health care reform at the state level: An update (Schneidman), 12:17  
Oregon's experiment: Just another Medicaid cutback (Liu), 3:9

State-level health care initiatives pose new problems for surgeons (Schneidman), 10:6

#### **HEALTH CARE REFORM, GOVERNMENT PROPOSALS**

ADR mechanisms for medical liability claims: An overview of state and federal proposals (Hatlie and Johnson), 10:20

As I see it (Ebert), 10:2, 12:2

Dateline: Washington: CBO predicts savings from managed competition, 3:3

Dateline: Washington: President outlines reform plan, 11:4

Dateline: Washington: Special report: Health reform proposals introduced: ACS testifies, 12:3

Health care policymakers in Washington (Brown), 8:15

Health care reform at the state level (Schneidman), 1:15

Health care reform at the state level: An update (Schneidman), 12:17

State-level health care initiatives pose new problems for surgeons (Schneidman), 10:6

What surgeons should know about . . . Medical liability reform and the federal government (Stomblor), 11:6

#### **HEALTH CARE REFORM, PHYSICIANS' PROPOSALS**

As I see it (Ebert), 3:2, 5:3, 8:2

Black, white, and shades of gray: A new approach to malpractice settlement (Warshaw), 7:6

Compensation caps for medical malpractice (Kridelbaugh and Palmisano), 4:27

Enterprise liability as an alternative to tort reform (Adelman), 9:34

Physician groups define positions on health care reform (Politser), 2:15

## **I**

#### **IMPAIRED PHYSICIANS**

Governors at Work: Committee on Physicians' Health (Tompkins), 2:32

Substance abuse: One anesthesiologist's perspective (Arens), 11:10

#### **IN MEMORIA**

Davis + Geck's Edwin Lewis dies, 3:42

Former Assistant Director, Harold Zintel, dies (Hannon), 6:45

Past ACS President Frank Stinchfield dies (Reemtsma), 4:33

#### **INFORMATION SYSTEMS/DATA BASES**

The Bottom Line: MDs can and should do their own coding of claims: Here's how (Leopold), 8:38

Dateline: Washington: Access to data bank discussed, 8:5

Trauma registry sparks interest, 7:83

What surgeons should know about . . . Electronic billing and related issues (Politser), 4:6

#### **INSURANCE**

Dateline: Washington: Hearing held on insurance cutbacks, 1:5

#### **INTERNATIONAL AFFAIRS**

Canadian health care system faces growing economic challenges (Politser), 9:4

Chapter News: 92nd chapter welcomed, 2:47

Chapter News: College forms new chapter in India (Peebles), 12:74

Chapter News: Italian chapter features minimally invasive surgical procedures (Peebles), 10:35

Experiences in Australia (Thompson), 12:64

Germans reexamine health care system (Hill), 9:4

1993 international scholars elected, 1:50

#### **INTERNATIONAL MEETINGS**

ACS to cosponsor American-Hellenic Surgical Congress, 12:62

Call for papers at joint meeting in Athens, 6:46

International meetings calendar, 5:40, 8:52, 12:76

1994 Cancer Management Course schedule, 12:75

Schweitzer symposium offered in 1994, 2:37

## **L**

#### **LAPAROSCOPIC SURGERY**

Another view: Reusable vs. disposable laparoscopic instruments (Voyles), 9:38

Dateline: Washington: HCFA proposes changes in lap choly DRGS, 9:5

General Surgeon News: "Town meeting" offers general surgeons an open forum (Jones), 9:46

Preliminary survey results: Reusable vs. disposable laparoscopic instruments (Cahill), 5:28

Statement on laparoscopic and thoracoscopic procedures, 9:48

#### **LEGAL DEFENSE AND ADVOCACY**

Chicago Chapter visits Capitol Hill (Stomblor), 5:34

Have a complaint about an expert witness? Contact the DRI, 1:56, 6:51, 8:42

Preparing for a defense trial? The College has some materials that might help, 2:37

## LEGISLATION

- Congress at work: An overview of the legislative process (Maron), 10:11  
Dateline: Washington: Handgun control bill introduced, 6:6  
Dateline: Washington: Health care declared a basic right, 3:4  
Dateline: Washington: House committee approves trauma bill, 7:4  
Dateline: Washington: House passes health appropriations bill, 8:4  
Dateline: Washington: NIH bill progresses, 3:3  
Dateline: Washington: NIH reauthorization signed into law, 7:4  
Dateline: Washington: Physician work force proposal introduced, 9:5  
Dateline: Washington: Senate confirms HHS officials, 7:5  
Dateline: Washington: Stark proposes to ensure high-quality care, 10:4  
Dateline: Washington: Traumatic brain injury bills introduced, 10:5  
Getting involved in the legislative process: The do's and the don'ts (Haug), 4:31  
A history of physician payment policies under Medicare (Lightfoot), 6:32  
Representing the Surgical Specialty Societies in Washington, DC (Brown), 5:15  
Washington update on trauma issues (Brown), 11:21

## M

### MEDICARE

- As I see it (Ebert), 9:2  
Dateline: Washington: ACS testifies on Medicare reimbursement, 5:4  
Dateline: Washington: Coalition offers alternative to practice expense cuts, 6:5  
Dateline: Washington: Congress clears budget bill, 9:4  
Dateline: Washington: HCFA issues 1993 Medicare fee schedule, 1:4  
Dateline: Washington: HCFA proposes changes in lap choly DRGS, 9:5  
Dateline: Washington: House committees act on Medicare budget, 6:5  
Dateline: Washington: Medicaid certification standards proposed, 10:4  
Dateline: Washington: Medicare participation rates increase, 9:4  
Dateline: Washington: Medicare spending for surgical services remains low, 4:5  
Dateline: Washington: 1993 MVPSs and updates established, 1:4

- Dateline: Washington: 1994 updates and MVPS recommendations issued, 6:4  
Dateline: Washington: President proposes Medicare cuts, 4:4  
Dateline: Washington: Senate passes Medicare budget, 8:4  
General Surgeon News: Many general surgery work values increase (Lightfoot), 3:34  
Governors at Work: The Committee on Socioeconomic Issues (Gage), 3:40  
A history of physician payment policies under Medicare (Lightfoot), 6:32  
Medicare volume performance standards and Part B spending (Martin and Lightfoot), 9:25  
Dateline: Washington: Rule issued on Medicaid limitations, 10:4  
What surgeons should know about . . . The AMA/Specialty Society RVS Update Committee (RUC) (Gage), 6:7  
What surgeons should know about . . . Medicare volume performance standards (Lightfoot), 3:5  
What surgeons should know about . . . The 1993 Medicare fee schedule (Brown), 2:6

## N

### NEUROSURGERY

- American Board of Neurological Surgery (Shucart), 12:43  
Representing the surgical specialty societies in Washington, DC (Brown), 5:15

## O

### OBSTETRICS AND GYNECOLOGY

- Representing the surgical specialty societies in Washington, DC (Brown), 5:15  
American Board of Obstetrics and Gynecology (Gerbie), 12:44

### OPERATING ROOM ENVIRONMENT

- The Bottom Line: Surgical flowsheets: Improving practice efficiency in scheduling surgical procedures (Conomikes), 12:36  
College to host OR symposium VIII, 3:48  
HIV and the surgical team: An update (Rhodes), 2:20  
Myth and reality in general surgery (Wheeler), 5:21  
Symposium underscores value of OR teamwork (Regnier), 7:73  
What surgeons should know about . . . Ambulatory surgery (Stompler), 8:6

### OPHTHALMIC SURGERY

- American Board of Ophthalmology (Crawford), 12:47

Dateline: Washington: AHCPH issues cataract surgery guidelines, 4:5

Representing the surgical specialty societies in Washington, DC (Brown), 5:15

#### **ORTHOPAEDIC SURGERY**

American Board of Orthopaedic Surgery (Spengler), 12:49

Representing the surgical specialty societies in Washington, DC (Brown), 5:15

What's new in orthopaedic surgery (D'Ambrosia), 3:20

#### **OTORHINOLARYNGOLOGY**

American Board of Otolaryngology (Bailey), 12:49

Representing the surgical specialty societies in Washington, DC (Brown), 5:15

## **P**

#### **PEER REVIEW ORGANIZATIONS**

What surgeons should know about . . . Ambulatory surgery (Stomblor), 8:6

#### **PHYSICIAN REIMBURSEMENT**

The American College of Surgeons and physician payment reform: A review (Parks), 11:16

Are you or your staff frustrated by coding problems?, 5:2, 6:40

As I see it (Ebert), 1:2, 2:2, 4:2, 9:2

Dateline: Washington: College testifies before PPRC, 2:4

Dateline: Washington: 1993 MVPSs and updates established, 1:4

Dateline: Washington: 1994 updates and MVPS recommendations issued, 6:4

Dateline: Washington: PPRC issues 1993 report, 5:5

Dateline: Washington: Rule issued on Medicaid limitations, 10:4

Dateline: Washington: Senate passes Medicare budget, 8:4

General Surgeon News: Many general surgery work values increased (Lightfoot), 3:34

A history of physician payment policies under Medicare (Lightfoot), 6:32

Medicare volume performance standards and Part B spending (Martin and Lightfoot), 9:25

What surgeons should know about . . . Electronic billing and related issues (Politzer), 4:6

What surgeons should know about . . . The 1993 Medicare fee schedule (Brown), 2:6

What surgeons should know about . . . Practice expenses (Lightfoot), 9:6

#### **PLASTIC AND MAXILLOFACIAL SURGERY**

ACS comments on inflatable breast implants, 5:42

American Board of Plastic Surgery (Puckett), 12:50

Breast enlargement by fat injection: The risks involved (Bland), 2:25

Breast implants and the FDA: Past, present, and future (Stomblor), 6:11

Dateline: Washington: Meeting held on saline breast implants, 3:4

Representing the surgical specialty societies in Washington, DC (Brown), 5:15

#### **PREFERRED PROVIDER ORGANIZATIONS**

As I see it (Ebert), 8:2

#### **PROFESSIONAL LIABILITY**

ADR mechanisms for medical liability claims: An overview of state and federal proposals (Hatlie and Johnson), 10:20

Black, white, and shades of gray: A new approach to malpractice settlement (Warshaw), 7:6

The Bottom Line: Managed care and physician contracting skills: Questions to ask (Ellenberger), 6:30

Compensation caps for medical malpractice (Kridelbaugh and Palmisano), 4:27

Dateline: Washington: Hearing held on medical liability issues, 7:4

Dateline: Washington: Liability relief offered to federal health centers, 1:5

Enterprise liability as an alternative to tort reform (Adelman), 9:34

Have a complaint about an expert witness? Contact the DRI, 1:56, 6:51, 8:42

The 1992 ACOG survey: Professional liability: Is gender a factor? (Malkasian), 11:26

Preparing for a defense trial? The College has some materials that might help, 2:37

What surgeons should know about . . . Medical liability reform and the federal government (Stomblor), 11:6

## **R**

#### **REGULATORY GUIDELINES**

Breast implants and the FDA: Past, present, and future (Stomblor), 6:11

Dateline: Washington: AHCPH issues cataract surgery guidelines, 4:5

Dateline: Washington: Bush urged to support new testing category, 2:4

Dateline: Washington: Meeting held on saline breast implants, 3:4

Dateline: Washington: New safe harbors proposed, 11:5

FDA launches MEDWatch, 9:50

#### **RURAL PRACTICE ISSUES**

General Surgeon News: "Town meeting" offers general surgeons an open forum (Jones), 9:42

Governors at Work: The Committee on Surgical Practice in Hospitals (Smith), 1:33

## S

### STATISTICS

Ohio Cancer Committee conducts survey (Peebles), 6:48

The public dissemination of physician-specific mortality data: Who has the right to know? (Schneidman), 8:31

Socioeconomic characteristics of the Fellowship (Karnell), 3:44

A surgeon's guide to biostatistical inferences: Part I, (Olak and Chiu), 1:20

A surgeon's guide to biostatistical inferences: Part II, (Olak and Chiu), 2:27

A surgeon's guide to biostatistical inferences: Part III, (Olak and Chiu), 3:15

### SURGERY

American Board of Surgery (Shuck), 12:52

The Bottom Line: Managed care and physician contracting skills: Questions to ask (Ellenberger), 5:30

Governors at Work: The Committee on Surgical Practice in Hospitals (Smith), 1:33

### SURGERY, GENERAL

ACS/CDC conference scheduled for February, 12:58

ACS/CDC to hold blood-borne pathogen conference in 1994, 7:89, 8:49, 9:59

General Surgeon News: The College's Spring Meeting: A forum for general surgeons (Block and Dean), 1:31

General Surgeon News: "Town meeting" offers general surgeons an open forum (Jones), 19:42

Myth and reality in general surgery (Wheeler), 5:21

Transfusion medicine and surgical practice (Valeri), 9:19

### SURGICAL SPECIALTIES

As I see it (Ebert), 1:2

### *SURGERY, Gynecology & Obstetrics*

FYI: 1:56, 2:56, 3:56, 5:44, 6:52, 8:52, 9:60, 10:36, 12:77

## T

### TECHNOLOGY

Three-dimensional imaging in microsurgery (Bailey), 4:20

What surgeons should know about . . . Electronic billing and related issues (Politser), 4:6

### THORACIC SURGERY

American Board of Thoracic Surgery (Faber), 12:55

Statement on laparoscopic and thoracoscopic procedures, 9:48

What's new in general thoracic surgery (LoCicero), 3:23

### TRANSPLANTATION

The politics of transplantation: Paving the way for reform? (McDonald), 2:10

## TRAUMA

As I see it, (Ebert), 3:2

Dateline: Washington: ACS testifies at trauma hearings, 6:6

Dateline: Washington: ACS testifies on trauma appropriations, 4:4

Dateline: Washington: ACS wins HCFA contract, 8:5

Dateline: Washington: House committee approves trauma bill, 7:4

Dateline: Washington: House passes health appropriations bill, 8:4

Dateline: Washington: NIH reauthorization signed into law, 7:4

Highlights of 1992 College business activities (Brodeur), 1:36

National TRACS begins accepting user data, 8:43

1993 Residents' Trauma Papers Competition winner announced, 6:43

1994 Residents' Trauma Papers Competition, 7:92

Out of apathy (Thal), 5:6

Trauma meeting to be held in Atlantic City, 2:35

Trauma meetings calendar, 2:35, 10:33

Trauma Motion Picture Session videotape guidelines, 12:66

Trauma registry sparks interest, 7:83

Trauma services at Fairfax Hospital: An educational externship (Kelleher, Trask, and Dashle), 7:14

Traumatic brain injury bills introduced, 10:5

Washington update on trauma issues (Brown), 11:21

## U

### UROLOGY

American Board of Urology (Perlmutter), 12:56

Dateline: Washington: ACS comments on testicular implants, 7:5

Representing the surgical specialty societies in Washington, DC (Brown), 5:15

## V

### VASCULAR SURGERY

As I see it (Ebert), 4:2

What's new in peripheral vascular surgery (Mannick), 3:27

1994

- ZUPKO, KAREN**, The Bottom Line: Surgeons and mergers: Making the right choice, 79, 11:30

# Subject Index

## A

### AIDS

ACS/CDC meeting explores risks of blood-borne pathogens (Regnier), 79, 5:30

### AMBULATORY CARE

ACS issues guidelines for office-based surgery, 79, 5:48, 10:39

Dateline: Washington: ACS comments on ASC procedures, 79, 4:5

Guidelines for office-based surgery: Quality assurance

(ACS Board of Governors Committee on Ambulatory Surgical Care), 79, 10:32

### AMERICAN COLLEGE OF SURGEONS

#### Activities

—ACS fax line available, 79, 11:50

—College announces database program with NLM, 79, 11:50

—What surgeons should know about... Frequently asked questions on the College's coding hotline (Painter), 79, 10:8

#### Annual Meeting (see also: Clinical Congress)

—Official notice: Annual Meeting of Fellows, American College of Surgeons, 79, 9:38

### **Awards**

- 1994 Distinguished Philanthropist named (Benson), 79, 9:38
- 1995 Residents' Trauma Papers Competition, 79, 7:67
- Professor Dubois receives Jacobson innovation award, 79, 7:62
- 16 years of papers competition: Trauma committee spurs residents to research excellence (Moore), 79, 9:24
- Winner of Residents' Papers Competition announced, 79, 7:64

### **Bulletin of the American College of Surgeons**

- Statement of ownership, management, and circulation, 79, 12:81

### **Chapters**

- Chapter News: Bernard Fisher receives Sheen Award (Peebles), 79, 2:46
- Chapter News: Brooklyn-Long Island (NY) hosts annual meeting (Peebles), 79, 8:52
- Chapter News: *Chapter Update* reactivated (Peebles), 79, 6:51
- Chapter News: Chapters continue support for College endowment funds (Peebles), 79, 2:46
- Chapter News: Chapters participate in FLS (Peebles), 79, 6:51
- Chapter News: Chapters schedule managed care workshops (Peebles), 79, 12:68
- Chapter News: Cosponsorship program (Peebles), 79, 4:41
- Chapter News: Florida Chapter examines practice parameters (Peebles), 79, 4:41
- Chapter News: Indiana Chapter announces resident winners (Peebles), 79, 8:52
- Chapter News: Merck Newsletter Grant Program (Peebles), 79, 6:51
- Chapter News: Metropolitan DC Chapter hosts first All-City Grand Rounds (Peebles), 79, 4:40
- Chapter News: Mississippi Fellows examine surgery in the tropics (Peebles), 79, 2:46
- Chapter News: 1994 Chapter Officers' Seminar (Peebles), 79, 4:41
- Chapter News: Ohio Chapter anticipates future (Peebles), 79, 4:40
- Chapter News: Residents' day program and competition (Peebles), 79, 2:46
- Chapter News: San Diego Chapter begins fax newsletter (Peebles), 79, 6:51
- Chapter News: Special chapter administrators seminar deemed successful (Peebles), 79, 8:52
- Chapter News: Spotlight on the Chapters—Rhode Island (Peebles), 79, 2:47
- Chapter News: Triennial questionnaire results (Peebles), 79, 12:68
- Chapter officers meet in Chicago (Regnier), 79, 8:46

- Chapters visit Capitol Hill, 79, 8:48

### **Clinical Congress (see also Annual Meeting)**

- Clinical Congress lecturers named, 79, 6:48
- Clinical Congress 1994: Highlights, 79, 12:26
- Clinical Congress preliminary program, 79, 7:19
- Commission on Cancer plans events for Clinical Congress, 79, 9:45
- Contributions to the 1995 Surgical Forum are requested, 79, 12:74
- Ethics colloquium debuts, 79, 8:51
- Liability in changing health settings to be examined, 79, 9:47
- 1993 Clinical Congress videotapes available, 79, 5:45
- Plan now for 1994 Clinical Congress, 79, 4:43
- Scientific contributions sought for 1995 Clinical Congress, 79, 12:73
- Trauma videotape guidelines, 79, 12:76

### **Development**

- Chapter News: Chapters participate in FLS (Peebles), 79, 6:51
- College establishes Mayne Heritage, 79, 11:43
- Development Committee reports on recent activities (Benson), 79, 7:66
- Life insurance option for planned giving now available, 79, 12:72
- 1994 Distinguished Philanthropist named (Benson), 79, 9:38

### **Distinguished Service Award**

- Dr. Hermann receives DSA, 79, 11:34

### **Fellows**

- Chapter News: Bernard Fisher receives Sheen Award (Peebles), 79, 2:46
- DSA recipient Dr. George Block dies (Walt), 79, 9:40
- Dateline: Washington: Fellow appointed to FDA panel, 79, 9:7
- Dateline: Washington: Fellows win Congressional contests, 79, 12:6
- Dr. Robert Zeppa dies (Griffen), 79, 1:99
- Earl Mayne, MD, FACS: A legacy of education (Benson), 79, 11:42
- Fellow files class action suit vs. Medicare, 79, 9:41
- Fellows and facts, 79, 1:117, 7:65
- Fellows run for U.S. Congress (Hill), 79, 10:38
- Physicians awarded AMA Medal of Valor, 79, 9:39
- Prof. Vladimir Bourakovsky, MD, FACS(Hon), dies, 79, 12:62
- Surgeons make public policy (Lightfoot), 79, 3:20
- Tennessee Fellow joins Senate race, 79, 9:43

### **Governors, Board of**

- Governors at Work: The Committee on Physicians' Health (Tompkins), 79, 1:94, 12:38
- Governors at Work: The Committee on Professional Liability (Fischer), 79, 1:95
- Governors at Work: The Committee on Socioeconomic Issues (Gage), 79, 2:37

- Governors at Work: The Committee on Surgical Practice in Hospitals (Smith), 79, 2:38, 12:39
- Governors at Work: The Committee to Study the Fiscal Affairs of the College (Jones), 79, 2:39

#### Honorary Fellows

- ACS awards four Honorary Fellowships, 79, 11:35
- Citation for Professor Geoffrey Duncan Chisholm (Peters), 79, 11:37
- Citation for Professor Hans Georg Borst (Waldhausen), 79, 11:35
- Citation for Professor John Wong (Wells), 79, 11:39
- Citation for Professor Lindsay Symon (Seljeskog), 79, 11:38

#### Journal of the American College of Surgeons

- College renames surgical journal, 79, 1:128
- FYI, 79, 1:128, 2:64, 3:46, 4:44, 5:48, 6:53, 7:68, 8:56, 9:52, 10:40, 11:52, 12:79

#### Meetings

- ACS conference links investigators and NIH (Fischer), 79, 7:15
- American-Hellenic Surgical Congress set for March, 79, 1:101
- American-Hellenic surgical meeting deemed a success (Strauch), 79, 6:46

#### Officers and staff

- ACS Regents and Officers, 79, 6:36, 8:38, 12:57
- Alexander Walt installed as 75th ACS President, 79, 11:33

#### Presidential Address

- The uniqueness of American surgical education and its preservation (Walt), 79, 12:8

#### Publications

- AGS ad campaign promotes patient choice (Meyer), 79, 8:42
- ACS issues guidelines for office-based surgery, 79, 5:48, 10:39
- Chapter News: *Chapter Update* reactivated (Peebles), 79, 6:51
- Chapter News: San Diego Chapter begins fax newsletter (Peebles), 79, 6:51
- Essential equipment for ambulances (ACS Committee on Trauma), 79, 9:19
- Guidelines for office-based surgery: Quality assurance (ACS Board of Governors Committee on Ambulatory Surgical Care), 79, 10:32
- Keeping Current: *Care of the Surgical Patient* evolves into *Scientific American Surgery* (Walt), 79, 9:34
- Management of hand injuries (Seyfer), 79, 11:28
- Managing life-threatening thoracic injuries (Deitch), 79, 10:30
- Owen H. Wangenstein: The education of surgeons (Peltier, Aust), 79, 11:8
- What surgeons should know about . . . The CPT system and related College activities (Fischer, Cohn), 79, 7:6

#### Regents, Board of

- Highlights of the Board of Regents meeting, October 8-10 and October 15, 1993 (Lynch), 79, 1:123
- Highlights of the Board of Regents meeting, February 4-5, 1994 (Lynch), 79, 6:55
- Highlights of the Board of Regents meeting, June 10-11, 1994 (Lynch), 79, 9:48

#### Reports to the Fellows

- Report of the Chairman of the Board of Governors (Finley), 79, 12:34
- Report of the Chairman of the Board of Regents (Murray), 79, 12:32

#### Scholarships

- Chapter News: Chapters continue support for College endowment funds (Peebles), 79, 2:46
- International Guest Scholarships available to young surgeons, 79, 11:47
- New 1994 scholar appointed, 79, 6:47
- 1994 ACS Faculty Fellowships awarded, 79, 4:32
- 1994 international scholars selected, 79, 3:48
- 1994 scholarships, award granted, 79, 1:120
- 1995 scholarships, fellowships, and career development award available, 79, 3:43
- 1995 travelling fellowship announced, 79, 1:127
- 1996 travelling fellowship announced, 79, 12:66
- Report from a Travelling Fellow (Kron), 79, 12:64
- Travelling fellowship offered, 79, 11:48
- Travelling fellowship recipient announced at Clinical Congress, 79, 11:48

#### Spring Meeting

- Boston to host Spring Meeting, 79, 11:52
- 1995 Spring Meeting set for Boston, 79, 12:61
- 22nd annual Spring Meeting set, 79, 1:105

#### Statements

- Statement of recommendations to ensure quality of surgical services in managed care environments, 79, 12:30
- Statement on advance directives by patients: "Do Not Resuscitate" in the operating room, 79, 9:29
- Statement on emerging surgical technologies and the evaluation of credentials, 79, 6:40
- Statement on laser surgery, 79, 4:31
- Statement on surgical residencies and the educational environment, 79, 1:89
- Statement regarding clinical trials, 79, 5:29

#### Testimony

- ACS presents testimony on current issues, 79, 1:97
- As I see it (Ebert), 79, 5:2
- Dateline: Washington: ACS testifies on GME and health care reform, 79, 3:4
- Dateline: Washington: ACS testifies on health care reform, 79, 4:4
- Dateline: Washington: ACS testifies on saline implants, 79, 7:4
- Dateline: Washington: ACS testifies on trauma funding, 79, 4:4

## ASSISTANTS AT SURGERY

Dateline: Washington: HCFA revises assistant at surgery payment restrictions, 79, 2:4

# C

## CANCER

### Management

- The COC: Its roots and destiny (Brennan, Clive, Winchester), 79, 6:14
- Commission on Cancer plans events for Clinical Congress, 79, 9:45
- Dateline: Washington: ACS testifies on saline implants, 79, 7:4
- Dateline: Washington: HCFA issues rule on mammography, 79, 11:6
- Dateline: Washington: HCFA meets to discuss breast cancer treatment, 79, 12:7
- Managing the cancer patient and family (Civetta), 79, 11:25
- 100 years of breast cancer: Halsted to Fisher (Lefall), 79, 8:12
- Professionalism and cancer care (Abeloff, Reynolds), 79, 5:12
- Statement regarding clinical trials, 79, 5:29

### Treatment advances

- Applications sought for cancer research award, 79, 10:37
- What's new in surgical oncology (Lotze), 79, 1:42

## CARDIOTHORACIC SURGERY

Managing life-threatening thoracic injuries (Deitch), 79, 10:30

What's new in cardi thoracic surgery (Gardner), 79, 1:11

## COLON AND RECTAL SURGERY

American Board of Colon and Rectal Surgery (Abacan), 79, 12:40

What's new in colon and rectal surgery (Billingham), 79, 1:16

## COST CONTAINMENT AND CALCULATION

As I see it (Ebert), 79, 8:2, 9:4, 10:4

Can cost containment be learned in a surgical residency? (Walt), 79, 9:8

## CREDENTIALING

Statement on emerging surgical technologies and the evaluation of credentials, 79, 6:40

## CRITICAL CARE AND METABOLISM

What's new in critical care and metabolism (Gamelli), 79, 1:22

# E

## EDUCATION

### Continuing

- ASPRS offers procedures publication, 79, 4:41
- Surgical research clearinghouse, 79, 2:50

## Graduate

- As I see it (Ebert), 79, 11:4
- Can cost containment be learned in a surgical residency? (Walt), 79, 9:8
- Chapter News: Resident's day program and competition (Peebles), 79, 2:46
- Dateline: Washington: ACS testifies on GME and health care reform, 79, 3:4
- Dateline: Washington: OIG recommends GME cuts, 79, 10:6
- A graduate surgical education curriculum (Luce), 79, 8:27
- Impending health care legislation: Its impact on surgical workforce and residencies (Sheldon), 79, 5:18
- Statement on surgical residencies and the educational environment, 79, 1:89

## Theory

- One participant's review (Williams), 79, 2:42
- Owen H. Wangenstein: The education of surgeons (Peltier, Aust), 79, 11:8
- Presidential Address: The uniqueness of American surgical education and its preservation (Walt), 79, 12:8
- Surgeons as Educators course a success (Folse, DaRosa), 79, 2:42

## ETHICS

- As I see it (Ebert), 79, 12:4
- Dateline: Washington: GAO studies self-referrals, 79, 6:4
- Ethics colloquium debuts, 79, 8:51
- Medical ethics in today's society (Lefall), 79, 2:6
- Your opinion is needed, 79, 4:36

## EVALUATION AND MANAGEMENT SERVICES

Dateline: Washington: GAO studies health "report cards," 79, 11:7

Governors at Work: The Committee on Surgical Practice in Hospitals (Smith), 79, 2:38

Health care report cards: Will they make the grade? (Politser), 79, 8:21

# F

## FEDERAL APPOINTMENTS

Dateline: Washington: Blumenthal to head Office of Women's Health, 79, 2:5

Dateline: Washington: Fellow appointed to FDA panel, 79, 9:7

Dateline: Washington: Rosenberg named as CDC injury control director, 79, 2:5

Dateline: Washington: Trauma director named, 79, 9:7

# G

## GASTROINTESTINAL AND BILIARY CONDITIONS

What's new in gastrointestinal and biliary conditions (Rikkers), 79, 1:27

### HEALTH CARE DELIVERY SYSTEMS

Any willing provider legislation: An overview of state laws (Schneidman), 79, 9:13

As I see it (Ebert), 79, 7:2

Dateline: Washington: Antitrust guidelines released, 79, 11:7

Dateline: Washington: NCQA rates managed care plans, 79, 7:5

Reflections on a joint scientific meeting: Is life lived in circles? (Cangelo), 79, 4:34

### HEALTH CARE REFORM

America's social ills and our health care system: An interview with Dr. Leroy Schwartz (Rogers), 79, 12:21

As I see it (Ebert), 79, 2:2, 3:2, 5:2

Dateline: Washington: ACS supports tort reform provisions, 79, 3:5

Dateline: Washington: ACS testifies on GME and health care reform, 79, 3:4

### National proposals

—As I see it (Ebert), 79, 4:2, 8:2

—Dateline: Washington: ACS testifies on health care reform, 79, 4:4

—Dateline: Washington: Congress prepares for floor votes on health reform, 79, 9:6

—Dateline: Washington: Congressional groups draft health reform proposals, 79, 8:5

—Dateline: Washington: Health reform "consensus" bill introduced, 79, 4:4

—Dateline: Washington: House committee continues reform debate, 79, 6:4

—Dateline: Washington: House panel to consider revised Clinton plan, 79, 5:4

—Dateline: Washington: Mitchell declares end to reform debate, 79, 11:6

—Dateline: Washington: Ways and Means drafts reform plan, 79, 5:4

—Health care report cards: Will they make the grade? (Politzer), 79, 8:21

—Impending health care legislation: Its impact on surgical workforce and residencies (Sheldon), 79, 5:18

—What surgeons should know about...Health care reform terms and approaches (Gallagher), 79, 5:6

### Physicians' proposals

—Physicians explore options in a changing health care marketplace (Politzer), 79, 4:2

### HISTORY

The admiral's wounds (Trunkey), 79, 2:18

Ancient Hellenic surgery (Balas), 79, 6:22

Earl Mayne, MD, FACS: A legacy of education (Ben-son), 79, 11:42

Famed anatomist remembered, 79, 1:119

100 years of breast cancer: Halsted to Fisher (Lefall), 79, 8:12

Owen H. Wangenstein: The education of surgeons (Peltier, Aust), 79, 11:8

## I

### INFORMATION SYSTEMS/DATABASES

ACS fax line available, 79, 11:50

Biostatistical Group begins work, 79, 3:42

College announces database program with NLM, 79, 11:50

Dateline: Washington: ACS comments on health information privacy, 79, 9:7

Dateline: Washington: Data bank bill introduced, 79, 6:5

Statement regarding clinical trials, 79, 5:29

Trauma registry establishes data bank, 79, 2:43

### INFORMED CONSENT

Statement on advance directives by patients: "Do Not Resuscitate" in the operating room, 79, 9:29

### IN MEMORIA

DSA recipient Dr. George Block dies (Walt), 79, 9:40

Dr. Robert Zeppa dies, 79, 1:99

Prof. Vladimir Bourakovsky, MD, FACS(Hon) dies, 79, 12:62

### INTERNATIONAL MEETINGS

American-Hellenic surgical meeting deemed a success (Strauch), 79, 6:46

American-Hellenic Surgical Congress set for March, 79, 1:101

International meetings calendar, 79, 8:53

Reflections on a joint scientific meeting: Is life lived in circles? (Cangelo), 79, 4:34

Schweitzer symposium slated for August, 79, 5:44

Liability in changing health settings to be examined, 79, 9:47

Our malpractice problem: Perspectives of an expert witness (Sandrick), 79, 3:36

Reflections on the evolution of malpractice law (Kridelbaugh), 79, 4:29

What is science? (Spratt), 79, 10:19

## **Q**

#### **QUALITY ASSURANCE**

Governors at Work: The Committee on Surgical Practice in Hospitals (Smith), 79, 2:38, 12:39

Statement of recommendations to ensure quality of surgical services in managed care environments, 79, 12:30

## **R**

#### **REGULATORY GUIDELINES**

Dateline: Washington: Antitrust guidelines released, 79, 11:7

Dateline: Washington: HCFA issues rule on mammography, 79, 11:6

#### **RURAL PRACTICE**

The Flying Doctors of East Africa (Rees, Raassen, Wachira, Mustafa, Adams-Ray), 79, 10:12

Surgical practice in rural communities: Challenges and opportunities (Sabo), 79, 4:6

Surgical practice in rural communities: The view from the trenches (Sandrick), 79, 4:11

## **S**

#### **SCUDDER ORATION ON TRAUMA**

Our second responsibility in trauma care: A new clause in the social contract (Eiseman), 79, 3:23

## **SOCIOECONOMICS**

Governors at Work: The Committee on Socioeconomic Issues (Gage), 79, 2:37

An insider's view of integrated health care: An interview with Bruce Spivey (Schneidman), 79, 6:6

Legislative aides experience a day in surgery, 79, 12:67

Nonphysician providers and limited-license practitioners: Scope-of-practice issues (Rogers), 79, 2:12

## **SURGERY**

American Board of Surgery (Rikkers), 79, 12:51

The "Group of 100" (Jonasson), 79, 5:40

Training surgeons to care for the injured: The general surgery model (Richardson), 79, 8:31

## **SURGICAL RESEARCH**

ACS/CDC meeting explores risks of blood-borne pathogens (Regnier), 79, 5:30

ACS conference links investigators and NIH (Fischer), 79, 7:15

Statement regarding clinical trials, 79, 5:29

## **SURGICAL SPECIALTIES**

As I see it (Ebert), 79, 7:2

# **T**

## **TECHNOLOGY**

Statement on emerging surgical technologies and the evaluation of credentials, 79, 6:40

Statement on laser surgery, 79, 4:31

## **THORACIC SURGERY**

American Board of Thoracic Surgery (Faber), 79, 12:54

What's new in general thoracic surgery (Ginsberg), 79, 1:70

## **TRANSPLANTATION**

What's new in transplantation (Bollinger), 79, 1:74

## **TRAUMA**

### **Education and literature**

—1995 Residents' Trauma Papers Competition, 79, 7:67

—16 years of papers competition: Trauma committee spurs residents to research excellence (Moore), 79, 9:24

—Training surgeons to care for the injured: The general surgery model (Richardson), 79, 8:31

—Trauma and Critical Care—1995, 79, 12:71

—Trauma/critical care course slated for March, 79, 1:103

—Trauma meeting scheduled in Philadelphia, 79, 12:71

—Trauma meeting slated for Philadelphia in May, 79, 2:44

—Trauma meetings calendar, 79, 1:117, 2:41, 7:67, 8:51, 9:52, 11:45

—Trauma seminar slated for December in Kansas City, 79, 11:45

—Winner of Residents' Papers Competition announced, 79, 7:64

## **Management**

—As I see it (Ebert), 79, 9:4

—Biostatistical Group begins work, 79, 3:42

#### **Clinical Congress**

- At Clinical Congress: Dr. James Childress will present Ethics and Philosophy Lecture, 80, 9:60
- At Clinical Congress: Liability in various health settings to be examined, 80, 10:52
- Clinical Congress 1995: Highlights, 80, 12:28
- Congress approaches, 80, 8:61
- Contributions to the 1996 Surgical Forum are requested, 80, 12:81
- 1994 Clinical Congress videotapes available, 80, 5:45
- 1995 Clinical Congress preliminary program, 80, 7:24
- Scientific contributions sought for 1996 Clinical Congress, 80, 12:79

#### **Development**

- Advanced giving levels acknowledged, 80, 9:65
- Charitable remainder trusts: An easy way to provide for the future (Benson and Cass), 80, 8:56
- Dr. and Mrs. Woods to receive philanthropist award, 80, 10:43
- Donor pins available at Congress, 80, 9:63
- Life insurance option for planned giving now available, 80, 2:36
- Report on Development Program activities (Benson), 80, 6:53

#### **Distinguished Service Award**

- Dr. Gage receives top ACS honor, 80, 11:31

#### **Fellows**

- Cancer center dedicated to Dr. Walt, 80, 12:69
- Dr. D.F. Hagen to retire as Navy Surgeon General (Ghosh), 80, 6:51
- Dr. Starzl receives Jacobson Innovation Award, 80, 7:69
- Dr. Wilbanks installed as president of ACOG, 80, 8:51
- Fellow reappointed to PPAC, 80, 4:7
- Fellows and facts, 80, 4:38, 7:77
- Folkert Belzer, MD, FACS, dies, 80, 9:61
- Leffall Surgical Society established, 80, 6:49
- Surgeon-artist illuminates experiences of the surgeon, 80, 6:54
- Surgeon receives safety award, 80, 8:55

#### **Fiscal affairs**

- ACS to offer new credit card for Fellows, 80, 3:36

- College's financial status remains strong (Brodson), 80, 4:32

#### **Governors, Board of**

- Governors at Work: The Committee on Ambulatory Surgical Care (Frey), 80, 1:88
- Governors at Work: The Committee on Blood-Borne Pathogens (Rhodes), 80, 5:40, 12:41
- Governors at Work: The Committee on Chapter Activities (Root), 80, 2:31
- Governors at Work: Committee on Physicians' Health (Greenfield), 80, 12:42
- Governors at Work: The Committee on Professional Liability (Fischer), 80, 1:89
- Governors at Work: The Committee on Socioeconomic Issues (Gage), 80, 5:41
- Governors at Work: The Committee to Study the Fiscal Affairs of the College (Jones), 80, 2:32

#### **Honorary Fellows**

- ACS awards four Honorary Fellowships, 80, 11:32
- Citation for Professor Bengt Hjalmar Zederfeldt (Hunt), 80, 11:36
- Citation for Professor Fernando Ortiz Monasterio (Krizek), 80, 11:34
- Citation for Professor Takayoshi Tobe (Nyhus), 80, 11:35
- Citation for Sir Norman Leslie Browse (Connolly), 80, 11:33

#### **Journal of the American College of Surgeons**

- FYI, 80, 1:117, 2:63, 3:44, 4:40, 5:56, 6:56, 7:79, 8:63, 9:72, 10:59, 11:44, 12:85

#### **Meetings (see also CLINICAL CONGRESS and SPRING MEETING)**

- ACS workshop schedule for 1995, 80, 7:75
- Chapter News: Chapter Officers' Seminar (Peebles), 80, 4:37
- College co-hosts briefing on procedure patents, 80, 8:50
- Colombian Chapter hosts fifth congress, 80, 9:66
- New "Group of 100" meets with ACS Advisory Council for Surgery (Jonasson), 80, 5:49
- Surgeons as Educators workshop to be held in July, 80, 3:34

#### **Officers and staff**

- ACS Regents and Officers, 80, 6:39, 9:48, 12:63
- LaSalle D. Leffall, Jr., becomes 76th President, 80, 11:30

#### **Presidential Address**

- Reaffirmation of fealty—To serve all (Leffall), 80, 12:11

#### **Publications**

- College publishes practice management manual, 80, 12:78
- Keeping Current: *Scientific American Surgery* offers guide to surgical problems (Wilmore), 80, 10:42

### **Regents, Board of**

- ACS Regents and Officers, 80, 6:39, 9:48, 12:63
- Highlights of the Board of Regents meeting, February 3-4, 1995 (Lynch), 80, 5:52
- Highlights of the Board of Regents meeting, June 9-10, 1995 (Lynch), 80, 9:67
- Highlights of the Board of Regents meeting, October 7-9 and October 14, 1994 (Lynch), 80, 1:112

### **Reports to the Fellows**

- Report of the Chairman of the Board of Governors (Finley), 80, 12:36
- Report of the Chairman of the Board of Regents (Schwartz), 80, 12:34

### **Scholarships**

- International Guest Scholarships available to young surgeons, 80, 11:41
- New 1995 scholar appointed, 80, 5:56
- New resident research scholarship announced, 80, 12:73
- 1995 ACS Faculty Fellowships awarded, 80, 4:34
- 1995 international scholars selected, 80, 3:44
- 1995 scholarships, award granted, 80, 1:109
- 1996 research scholarships, fellowships, and award available, 80, 3:38
- 1997 travelling fellowship announced, 80, 12:75
- Report from a Travelling Fellow (Sweeney), 80, 11:38
- Travelling fellowship offered, 80, 11:42
- Travelling fellowship recipient announced, 80, 11:42

### **Spring Meeting**

- At Spring Meeting: Managed care to be examined, 80, 3:42
- 1996 Spring Meeting set for New York, 80, 12:71
- 23rd annual Spring Meeting set, 80, 1:91

### **Statements**

- Statement on issues to be considered before new surgical technology is applied to the care of patients, 80, 9:46
- Statement on laser surgery, 80, 2:27
- Statement on managed care and the trauma system, 80, 1:86
- Statement on the surgeon and hepatitis B infection, 80, 5:33

### **Testimony**

- Dateline: Washington: ACS testifies at Ways and Means hearings, 80, 5:6
- Dateline: Washington: ACS testifies before PPRC
- Dateline: Washington: ACS testifies on Medicare budget, 80, 3:6
- Dateline: Washington: ACS testifies on Medicare issues, 80, 8:50

### **AMERICAN UROLOGICAL ASSOCIATION LECTURE**

- Making choices: For patients and physicians (Shine), 80, 4:23

## **B**

### **BIOMEDICAL RESEARCH**

- Animal research conference set for San Diego, 80, 2:55
- Brochure addresses animal research queries, 80, 4:35
- Catalog of biomedical resources available, 80, 9:71
- European biomedical research group forms, 80, 7:77
- Nobel laureates testify for biomedical research, 80, 5:42
- Proceedings of animal care symposium available, 80, 2:57

### **BLOOD-BORNE PATHOGENS**

- Governors at Work: The Committee on Blood-Borne Pathogens (Rhodes), 80, 5:40
- Hepatitis B virus, surgeons, and surgery (Rhodes), 80, 9:32
- Statement on the Surgeon and Hepatitis B Infection, 80, 5:33

## **C**

### **CANCER**

#### **Management**

- AACR offers cancer research award, fellowships, 80, 12:77
- ACS notes issues in accrediting tumor conferences (Strauch and Winchester), 80, 10:48
- As I see it (Ebert), 80, 10:4
- Cancer center dedicated to Dr. Walt, 80, 12:69
- Cancer conferences in Illinois: compliance with COC guidelines (Guinan and Imperato), 80, 6:24
- CansurFacs system released, 80, 8:53
- Dateline: Washington: GAO reports on mammography standards, 80, 12:7
- Is there a role for the surgeon in today's cancer management? Commission on Cancer Oncology Lecture (Murphy), 80, 3:23

#### **Treatment advances**

- As I see it (Ebert), 80, 2:5
- Dateline: Washington: GAO reports on breast-conserving procedures, 80, 2:7
- What's new in surgical oncology (Eberlein), 80, 1:38

### **CARDIAC SURGERY**

- What's new in cardiac surgery (Nolan), 80, 1:12

### **CLINICAL TRIALS**

- As I see it (Ebert), 80, 2:5

### **COLON AND RECTAL SURGERY**

- What's new in colon and rectal surgery (Fleshman), 80, 1:16

## **CRITICAL CARE AND METABOLISM**

What's new in critical care and metabolism (Meakins), 80, 1:19

# **E**

## **EDUCATION**

Dateline: Washington: GME payment reductions proposed, 80, 10:6

Dateline: Washington: HCFA proposes new teaching physician requirements, 80, 9:6

Residents, Capitol Hill staff trade places for a day (Gallagher), 80, 12:67

Someone needs your old textbooks, 80, 12:73

## **ETHICS**

As I see it (Ebert), 80, 6:4

College co-hosts briefing on procedure patents, 80, 8:50

Dateline: Washington: HCFA issues final rule on self-referrals, 80, 10:7

Dateline: Washington: HCFA issues physician referral guidelines, 80, 3:7

Ethical dilemmas in managed care (Fischer), 80, 11:21

Ethics and the transplant surgeon—Ethics and Philosophy Lecture (Ryan), 80, 6:8

One team member's views: Volunteer surgery program in the Amazon (Markus), 80, 3:12

A reply to Dr. Ryan: Doctors should lead, not follow (Nilges), 80, 6:15

Response to Dr. Nilges (Ryan), 80, 6:18

Teaching and performing surgery in Africa: A volunteer's perspective (Gordon), 80, 10:14

What surgeons should know about...Physician self-referral laws (Hill), 80, 12:9

# **F**

## **FEDERAL APPOINTMENTS**

Dateline: Washington: PPRC names new chairman, 80, 6:7

# **G**

## **GASTROINTESTINAL AND BILIARY CONDITIONS**

What's new in gastrointestinal and biliary conditions (Kaminski), 80, 1:26

## **JOHN H. GIBBON, JR., LECTURE**

The obsolescence of surgical operations: Causes and effects (Sealy), 80, 5:25

# **H**

## **HEALTH CARE REFORM**

Dateline: Washington: Insurance reforms clear Senate committee, 80, 9:6

ERISA: Implications for state health systems reform efforts (Rogers), 80, 10:30

## **HISTORY OF MEDICINE/SURGERY**

Call for papers: Society of Civil War Surgeons to meet, 80, 8:63

Making choices: For patients and physicians (Shine), 80, 4:23

The origins and consequences of organ transplantation: Introduction (Moore), 80, 8:13

The origins and consequences of organ transplantation: The Excelsior Surgical Society/Edward D. Churchill Lecture (Murray), 80, 8:14

The origins and consequences of organ transplantation: Concluding remarks (Welch), 80, 8:25

Surgical heroes: An anesthesiologist's perspective, (Bacon) 80, 6:28

# **I**

## **IN MEMORIA**

Folkert Belzer, MD, FACS, dies, 80, 9:61

Fraser Gurd, MD, FACS, dies (Hanlon), 80, 10:54

George L. Jordan, Jr., MD, FACS: A life of service and distinction (Mattox), 80, 1:105

## **INTERNATIONAL MEETINGS**

Chinese Medical Association to celebrate 80th anniversary, 80, 8:61

Colombian Chapter hosts fifth congress, 80, 9:66

For international Fellows: Committee on Trauma considers pre-Congress meeting, 80, 5:42

Hungarian medical group to meet in October, 80, 9:71

International meetings calendar, 80, 4:39, 10:55

Joint scientific meeting in Germany to be convened next year, 80, 10:43

1995 scientific meeting to be held in Australia, 80, 2:55

## L

### LEGISLATION

- Dateline: Washington: ACS testifies at Ways and Means hearings, 80, 5:6  
Dateline: Washington: Archer/Jacobs introduce MSA bill, 80, 8:7  
Dateline: Washington: Cardin-Roukema bill address medical emergencies, 80, 10:6  
Dateline: Washington: Congress clears Medicare select bill, 80, 8:7  
Dateline: Washington: Congress drafts budget bills, 80, 6:7  
Dateline: Washington: Congress passes budget resolution, 80, 8:6  
Dateline: Washington: Insurance reforms clear Senate committee, 80, 9:6  
Dateline: Washington: President signs insurance tax deduction, 80, 6:7

## M

### MANAGED CARE

- As I see it (Ebert), 80, 4:4, 8:4, 9:4, 11:4  
At Spring Meeting: Managed care to be examined, 80, 3:42  
Dateline: Washington: PPRC/ProPAC release report on Medicare managed care, 80, 12:6  
Dateline: Washington: PPRC reports sick elderly often leave HMOs, 80, 12:7  
Letters (Conomikes), 80, 10:57  
Letters (Siegel), 80, 10:57  
Managing care and managing change (Green), 80, 10:11  
Physician-hospital organizations: Prospects and pitfalls (Gorey), 80, 2:13  
Physician liability: New areas of concern under managed care (Manuel), 80, 2:23  
State Medicaid managed care plans: TennCare and beyond (Schneidman), 80, 5:19  
What surgeons should know about...Income-sharing with managed care (Conomikes), 80, 9:8

### MEDICAL WORKFORCE

- Specialists continue to outnumber primary care physicians, 80, 2:59

### MEDICARE/MEDICAID

- As I see it (Ebert), 80, 1:4, 3:4, 5:4, 9:4, 11:4, 12:4

- The American College of Surgeons' CPT and RUC activities—Part I (Gage and Parks), 80, 2:18  
The American College of Surgeons' CPT and RUC activities, Part II (Gage and Parks), 80, 3:19  
Coding guide, certification course available to general surgeons, 80, 10:54  
Dateline: Washington: ACS comments on HCFA practice expense survey, 80, 8:6  
Dateline: Washington: ACS comments on Medicare fee schedule issues, 80, 11:7  
Dateline: Washington: ACS testifies on Medicare budget, 80, 3:6  
Dateline: Washington: ACS testifies on Medicare issues, 80, 8:50  
Dateline: Washington: Congress acts to establish Medicaid block grants, 80, 11:6  
Dateline: Washington: Congress clears Medicare select bill, 80, 8:7  
Dateline: Washington: Congress drafts budget bills, 80, 6:7  
Dateline: Washington: Congress passes budget resolution, 80, 8:6  
Dateline: Washington: Ganske drafts Medicare patient protections, 80, 10:6  
Dateline: Washington: HCFA proposes PPS for outpatient services, 80, 5:7  
Dateline: Washington: 1995 Medicare fee updates issued, 80, 1:6  
Dateline: Washington: GAO reports variability in claims denials, 80, 2:6  
Dateline: Washington: HCFA issues physician referral guidelines, 80, 3:7  
Dateline: Washington: Medicare budget bills would slash surgical payments, 80, 11:6  
Dateline: Washington: Medicare to cover lung, heart-lung transplants, 80, 3:7  
Dateline: Washington: PPRC issues MVPS and update recommendations, 80, 6:6  
Dateline: Washington: PPRC/ProPAC release report on Medicare managed care, 80, 12:6  
Dateline: Washington: President outlines budget and health priorities, 80, 3:6  
Dateline: Washington: ProPAC issues 1995 report, 80, 4:7  
If you're having problems with coding... 80, 6:56  
A look at the work of the RUC: An interview with John Gage, MD, FACS (Parks), 80, 10:23  
Regional variation in the rate of common surgical and orthopaedic procedures among Medicare beneficiaries (Curreri and Martin), 80, 9:24  
State Medicaid managed care plan: TennCare and beyond (Schneidman), 80, 5:19  
What surgeons should know about...The Medicare fair hearing process (Lewis), 80, 7:8  
What surgeons should know about...The 1995 Medicare fee schedule (Brown), 80, 1:8

## N

### NEUROSURGERY

- Quantitative virtual reality enhances stereotactic neurosurgery (Kelly), 80, 11:13  
What's new in neurological surgery (Barrow and Eleyne), 80, 1:35

## O

### OBSTETRICS AND GYNECOLOGY

- Cerebral palsy: The obstetrician's dilemma (Malkasian), 80, 2:28  
What's new in gynecology and obstetrics (Masterson), 80, 1:30

### OPERATING ROOM ENVIRONMENT

- College to host OR symposium, 80, 2:35  
CORE to examine operating room efficiency, 80, 1:104  
Operating room bibliography updated, 80, 5:43  
Symposium explores OR team efficiency (Regnier), 80, 9:52

—Highlights of the Board of Regents meeting, June 7-8, 1996

## M

**MacLEAN, LLOYD D.**, Owen Wangenstein fellowship announced, 81, 3:55

**MADOFF, ROBERT D.**, Advisory Councils: Colorectal cancer genetics, 81, 12:26

**McKNEALLY, MARTIN F.**, Can surgical innovation survive? 81, 4:8

**MEAKINS, JONATHAN L.**, Citation for Professor Yasuo Idezuki, 81, 11:37

**MILLER, ROBERT H.**, Advisory Councils: Workforce issues in otorhinolaryngology for 2010, 81, 6:54

**MISCALL, BRIAN G., TOMPKINS, RONALD K., and GREENFIELD, LAZAR J.**, ACS survey explores retirement issues, 81, 12:18

**MITCHELL, FRANK L., JR.**, Scudder Oration on Trauma: Verification: The pursuit of optimal trauma care, 81, 5:20

**MURRAY, DAVID G.**, Presidential Address: "Some of the king's horses..." 81, 12:12

## N

**NEEL, H. BRYAN III**, Citation for Professor Tu Guy-yi, 81, 11:38

**NORA, PAUL F.**, College works to address expert witness issues, 81, 12:44

## O

**OESTERLING, JOSEPH E.**, Current thoughts on the detection of prostate cancer, 81, 2:33

**O'NEILL, JAMES A., JR.**, Advisory Councils: Workforce issues in pediatric surgery, 81, 4:34

**ORGAN, CLAUDE H., JR.**, Charles R. Drew: A doyen of American surgery, 81, 1:12

## P

**PALMISANO, DONALD J.**, Legal tips for the managed care age, 81, 5:36

**PARKS, PATRICIA**, In their own words: Surgeon representatives discuss legislative and regulatory issues—Part II, 81, 10:14

—Practice expense studies: An update, 81, 7:26

—What surgeons should know about...HCFA's proposed Medicare five-year review regulations, 81, 9:8

—(and GAGE, JOHN O.), An issue of equity: Properly valuing the evaluation and management component of the surgical global period, 81, 7:8  
**PEABODY, C. NEWTON**, Is "caring" cognitive? 81, 9:19  
**PEACOCK, ERLE E., JR.**, Antitrust law: A remedy for poor peer review, 81, 3:35  
**PEEBLES, RHONDA J.**, Chapter News: 81, 2:92, 4:50, 6:69, 8:44, 12:80  
**POLK, HIRAM C., JR., and RICHARDSON, J. DAVID**, Monitoring quality of medical care: How about a level playing field? 81, 1:28  
**PRATT, LORING W.**, A century of progress in otorhinolaryngology, 81, 9:27

## R

**REGNIER, STEPHEN J.**, Chapter Officers meet in Chicago, 81, 8:34  
 —25th Young Surgeons Meeting examines quality, medicolegal issues, 81, 6:63  
**REILING, RICHARD B.**, Governors at Work: The Committee on Ambulatory Surgical Care, 81, 1:36  
**RESNICK, MARTIN I.**, Advisory Councils: Postgraduate education and journal editorship, 81, 8:25  
**REZEK, ELIN A., and CLIVE, ROSEMARIE E.**, Cancer representatives visit Kazakhstan, 81, 1:46  
**RICHARDSON, J. DAVID, and POLK, HIRAM C., JR.**, Monitoring quality of medical care: How about a level playing field? 81, 1:28  
**ROGERS, CAROLYN**, Columbia/HCA: Transforming the health care marketplace, 81, 4:26  
**ROSES, DANIEL F.**, Vaccination's bicentennial: A surgical landmark, 81, 5:28  
**ROSS, STEVEN E.**, Prophylaxis against tetanus in wound management, 81, 5:42  
**ROWE, JOHN W.**, Health care myths at the end of life, 81, 6:11  
**ROWE, MARC I.**, Advisory Councils: The training of the pediatric surgeon, 81, 10:36  
**RUSSELL, PAUL S.**, ACS Past-President Dr. Claude Welch dies, 81, 6:61

## S

**SATAVA, RICHARD M., JR.**, Cybersurgeon: Advanced simulation technologies for surgical education, 81, 7:77  
**SCHOENBERG, HARRY W.**, Patient relations: A little generosity creates a lot of good will, 81, 10:21  
**SCHWARTZ, SEYMOUR I.**, Report of the Chairman, Board of Regents, 81, 12:40  
**SEWARD, WILLIAM F.**, Physician-directed man-

aged care organizations: An interview with Tim Norbeck, 81, 8:12  
**SHEDD, DONALD P., and DeLACURE, MARK D.**, George Washington Crile: Head and neck surgery pioneer, 81, 11:26  
 —Nicholas Senn: Outrider of modern head and neck oncology, 81, 8:19  
**SIEGLER, MARK**, Identifying the ethical aspects of clinical practice, 81, 11:23  
**SMITH, ROBERT B. III**, Governors at Work: Committee on Surgical Practice in Hospitals, 81, 2:42  
**SOJKA, LOUIS A.**, Embryonic law: A legal development, 81, 10:32  
**STRAUCH, GERALD O.**, ACS/German Surgical Society joint meeting: A special mix of surgical and social science, 81, 9:49  
**SUMPIO, BAUER E.**, A Travelling Fellow's report, 81, 11:44

## T

**TOMPKINS, RONALD K., MISCALL, BRIAN G., and GREENFIELD, LAZAR J.**, ACS survey explores retirement issues, 81, 12:18  
**TUNNER, WILLIAM S.**, Governors at Work: Committee on Socioeconomic Issues, 81, 3:46

## W

**WELLS, SAMUEL A.**, Citation for Sir David Carter, 81, 11:34  
**WILBANKS, GEORGE D.**, Citation for Professor Santiago Dexeus, 81, 11:35  
**WILMORE, DOUGLAS W.**, Keeping Current: How to use *Scientific American Surgery CD-ROM* in your practice, 81, 12:71  
 —Keeping Current: *Scientific American Surgery* goes electronic, 81, 5:46  
 —Keeping Current: Surgery text features new chapters on operative technique, 81, 9:41

# Subject Index

## A

### ADVISORY COUNCILS

- Advisory Councils: Colorectal cancer genetics (Madoff), 81, 12:26
- Advisory Councils: Postgraduate education and journal editorship (Resnick), 81, 8:25
- Advisory Councils: The training of the pediatric surgeon (Rowe), 81, 10:36
- Advisory Councils: Workforce issues in otorhinolaryngology for 2010 (Miller), 81, 6:54
- Advisory Councils: Workforce issues in pediatric surgery (O'Neill), 81, 4:34

### AMBULATORY CARE

- Governors at Work: Committee on Ambulatory Surgical Care (Reiling), 81, 1:36

### AMERICAN COLLEGE OF SURGEONS

#### Activities

- ACS and Myriad collaborate in breast cancer study, 81, 9:47
- ACS/German Surgical Society joint meeting: A special mix of surgical and social science (Strauch), 81, 9:49
- Surgeons as Educators course planned, 81, 7:87

#### Annual Meeting (see also CLINICAL CONGRESS)

- Official notice: Annual Meeting of Fellows, American College of Surgeons, 81, 9:47

#### Awards

- Dr. and Mrs. Clements receive philanthropy award, 81, 12:76
- Dr. Cooper receives Jacobson Innovation Award, 81, 7:82
- 1996 residents' papers winners announced, 81, 7:84
- Washington Chapter establishes Leffall Award, 81, 10:44

#### Bulletin

- A note to our readers, 81, 1:3

#### Chapters

- Chapter News: Central Pennsylvania Chapter conducts mock oral boards (Peebles), 81, 8:44
- Chapter News: Chapter visitation program continues in 1997 (Peebles), 81, 12:81
- Chapter News: Chapters contribute to College endowment funds (Peebles), 81, 2:92
- Chapter News: Chapters prepare for Young Surgeon Representatives meeting (Peebles), 81, 12:80
- Chapter News: DC Chapter host all-city grand rounds for young surgeons (Peebles), 81, 12:80
- Chapter News: Florida surgeons' forum established (Peebles), 81, 2:92

- Chapter News: Georgia Chapter holds annual meeting (Peebles), 81, 6:71
- Chapter News: Illinois chapters announce joint meeting (Peebles), 81, 2:92
- Chapter News: Illinois Metropolitan Chicago Chapters meet (Peebles), 81, 8:44
- Chapter News: Indiana Chapter meets in Nashville (Peebles), 81, 8:44
- Chapter News: International chapters host inaugural meetings (Peebles), 81, 6:69
- Chapter News: Massachusetts supporting regulation of managed care providers (Peebles), 81, 2:92
- Chapter News: Metropolitan Washington chapter conducts 13th annual meeting (Peebles), 81, 6:69
- Chapter News: Metropolitan Washington conducts science review course (Peebles), 81, 4:50
- Chapter News: Michigan Chapter dedicates meeting to Alexander J. Walt (Peebles), 81, 8:45
- Chapter News: Ohio Chapter introduces *New Surgeons' Survival Kit* (Peebles), 81, 8:44
- Chapter News: Ohio Chapter surveys residents' debt (Peebles), 81, 12:80
- Chapter News: Ohio reports on surgical panel activities (Peebles), 81, 4:51
- Chapter News: Southern California conducts annual meeting (Peebles), 81, 4:50
- Chapter News: Southwest Pennsylvania announces resident winners (Peebles), 81, 2:92
- Chapter News: Southwest Pennsylvania chapter meets (Peebles), 81, 6:71
- Chapter Officers meet in Chicago (Regnier), 81, 8:34
- Governors at Work: Committee on Chapter Activities (Fratianne), 81, 1:38
- North Carolina, North Texas Chapters host "Day in Surgery" (Gallagher), 81, 11:41
- State chapters hit the Hill (Gallagher), 81, 8:36
- Washington Chapter establishes Leffall Award, 81, 10:44

#### Clinical Congress

- At Clinical Congress: Liability in various health settings to be examined, 81, 8:39
- Clinical Congress is on the way, 81, 5:49, 6:68
- Clinical Congress 1996 highlights, 81, 12:33
- Commission on Cancer schedules events for Clinical Congress, 81, 9:50
- Contributions to the 1997 Surgical Forum are requested, 81, 12:83
- 1996 Clinical Congress preliminary program, 81, 7:29
- 1996 Clinical Congress videotapes available, 81, 7:89
- Scientific contributions sought for 1997 Clinical Congress, 81, 12:82

## Development

- Dr. and Mrs. Clements receive philanthropy award, 81, 12:76
- 1996 resident scholarships and development award granted, 81, 1:43
- Planned giving options (Benson), 81, 3:57

## Distinguished Service Award

Dr. Thompson receives top ACS honor, 81, 11:32

## Fellows

- Dateline: Washington: Fellows appointed to HCFA panels, 81, 2:7
- Fellow receives award for exemplary care, 81, 3:53
- Fellow runs for congressional seat, 81, 4:41
- Fellow runs for U.S. Congress, 81, 8:42
- Fellows and facts, 81, 2:93, 7:83, 10:47
- Fellows in Congress: An interview with Senator Bill Frist, MD, FACS, and Representative Greg Ganske, MD, FACS (Brown), 81, 9:11
- From grandfather to grandson: 69 years of Fellowship, 81, 4:42
- In their own words: Surgeon representatives discuss legislative and regulatory issues, Part I (Brown), 81, 9:21; Part II (Parks), 81, 10:14
- Owen Wangenstein fellowship announced (MacLean), 81, 3:55
- Young Fellow comments on ACS Scholarship Fund, 81, 8:40

## Fiscal Affairs

- Life membership option now available, 81, 8:42, 11:42

## Governors, Board of

- Governors at Work: Committee on Ambulatory Surgical Care (Reiling), 81, 1:36
- Governors at Work: Committee on Chapter Activities (Fratianne), 81, 1:38
- Governors at Work: Committee on Professional Liability (Fischer), 81, 2:41
- Governors at Work: Committee on Socioeconomic Issues (Tunner), 81, 3:46
- Governors at Work: Committee on Surgical Practice in Hospitals (Smith), 81, 2:42
- Governors at Work: Committee to Study the Fiscal Affairs of the College (Copeland), 81, 3:48
- Report of the Chairman of the Board of Governors (Copeland), 81, 12:41

## Headquarters

- As I see it (Ebert), 81, 4:4
- Report of the Chairman of the Board of Regents (Schwartz), 81, 12:40

## Honorary Fellows

- ACS awards four Honorary Fellowships, 81, 11:33
- Citation for Professor Santiago Dexeus (Wilbanks), 81, 11:35
- Citation for Professor Tu Guy-yi (Neel), 81, 11:38
- Citation for Professor Yasuo Idezuki (Meakins), 81, 11:37

—Citation for Sir David Carter (Wells), 81, 11:34  
*Journal of the American College of Surgeons (JACS)*

- FYI, 81, 1:48, 2:95, 4:52, 5:56, 6:72, 7:95, 8:48, 9:56, 10:56, 11:48, 12:86

## Meetings

- ACS hosts reception at AMA meeting, 81, 3:51
- Joint scientific meeting in Germany to be convened in May, 81, 2:62

## Officers and Staff

- ACS Past-President Dr. Alexander Walt dies (Schwartz), 81, 4:38
- ACS Past-President Dr. Claude Welch dies (Russell), 81, 6:61
- ACS Regents and Officers, 81, 6:57, 9:43, 12:64
- David G. Murray, MD, FACS, becomes 77th President, 81, 11:31
- Howard establishes Leffall Chair, 81, 4:41
- Mayo endows Beahrs Lectureship, 81, 7:84
- Washington Chapter establishes Leffall Award, 81, 10:44

## Presidential Address

- “Some of the King’s horses...” (Murray), 81, 12:12

## Publications

- Keeping Current: How to use *Scientific American Surgery CD-ROM* in your practice (Wilmore), 81, 12:71
- Keeping Current: *Scientific American Surgery* goes electronic (Wilmore), 81, 5:46
- Keeping Current: Surgery text features new chapters on operative technique (Wilmore), 81, 9:41

## Regents, Board of

- Highlights of the Board of Regents meeting, February 9-10, 1996 (Lynch), 81, 4:47
- Highlights of the Board of Regents meeting, June 7-8, 1996 (Lynch), 81, 10:48
- Report of the Chairman of the Board of Regents (Schwartz), 81, 12:40

## Reports to the Fellows

- Report of the Chairman of the Board of Governors (Copeland), 81, 12:41
- Report of the Chairman of the Board of Regents (Schwartz), 81, 12:40

## Scholarships/Fellowships

- International Guest Scholarships available, 81, 11:46
- 1996 ACS Faculty Research Fellowships awarded, 81, 4:44
- 1996 international scholars selected, 81, 3:59
- 1996 resident scholarships and development award granted, 81, 1:43
- 1997 scholarships, fellowships, award notice, 81, 3:61
- 1998 travelling fellowship announced, 81, 12:78
- Owen Wangenstein fellowship announced (MacLean), 81, 3:55
- Travelling fellowship offered, 81, 11:39

- A Travelling Fellow's report (Sumpio), 81, 11:44
- Young Fellow comments on ACS Scholarship Fund, 81, 8:40

### Spring Meeting

April 14-17, 1996: 24th annual Spring Meeting set for New York, 81, 2:48

### Statements

- Statement on indications for the use of permanently implanted cardiac pacemakers, 81, 2:40
- Statement on principles underlying perioperative responsibility, 81, 9:39

### Testimony

- ACS testifies at FDA hearing on stereotactic breast biopsy, 81, 12:75
- Dateline: Washington: College testifies before PPRC, 81, 2:6
- In their own words: Surgeon representatives discuss legislative and regulatory issues, Part I (Brown), 81, 9:21; Part II (Parks), 81, 10:14

## B

### BIOMEDICAL RESEARCH

- Biomedical research facts available on CD-ROM, 81, 9:54
- Biomedical research meetings set, 81, 2:89
- 1996 ILAR guide issued, 81, 10:56

## C

### CANCER

#### Management

- ACS and Myriad collaborate in breast cancer study, 81, 9:47
- As I see it (Ebert), 10:4
- Cancer awards/fellowships available, 81, 10:54
- Cancer representatives visit Kazakhstan (Clive and Rezek), 81, 1:46
- Commission on Cancer schedules events for Clinical Congress, 81, 9:50
- Suggestions for accreditation of surgeons who perform image-directed breast biopsies, 81, 9:37

#### Treatment advances

- ACS testifies at FDA hearing on stereotactic breast biopsy, 81, 12:75
- Advisory Councils: Colorectal cancer genetics (Madoff), 81, 12:26
- Current thoughts on the detection of prostate cancer (Oesterling), 81, 2:33

### CARDIAC SURGERY

Statement on indications for the use of permanently implanted cardiac pacemakers, 81, 2:40

### COLON AND RECTAL SURGERY

Advisory Councils: Colorectal cancer genetics (Madoff), 81, 12:26

### COMPUTER INFORMATION TECHNOLOGY (see also INFORMATICS)

- The College goes online, 81, 2:44
- Cybersurgeon: Advanced simulation technologies for surgical education (Satava), 81, 7:77
- Cybersurgeon: Getting Connected (Krusch), 81, 2:45
- Keeping Current: How to use *Scientific American Surgery CD-ROM* in your practice (Wilmore), 81, 12:71
- Keeping Current: *Scientific American Surgery* goes electronic (Wilmore), 81, 5:46

## E

### EDUCATION

- Advisory Councils: Postgraduate education and journal editorship (Resnick), 81, 8:25
- Advisory Councils: The training of the pediatric surgeon (Rowe), 81, 10:36
- As I see it (Ebert), 81, 1:4, 3:4, 6:4
- Dateline: Washington: COGME issues report on managed care, 81, 1:7
- Dateline: Washington: IOM issues physician workforce report, 81, 4:6
- How to reward effective teaching (Jamieson), 81, 6:67
- The NPDB and surgical residents (Fischer), 81, 4:22
- What surgeons should know about...Compliance with Medicare teaching physician payment regulations (Hill), 81, 11:8

### ETHICS

- As I see it (Ebert), 81, 2:4
- Despite all odds: How do we continue to practice good medicine? (Close), 81, 3:23
- Embryonic law: A legal development (Sojka), 81, 10:32
- The gift of life: Ethical issues in organ transplantation (Childress), 81, 3:8
- Health care myths at the end of life (Rowe), 81, 6:11
- Identifying the ethical aspects of clinical practice (Sieglar), 81, 11:23
- Is "caring" cognitive? (Peabody), 81, 9:19
- Let common sense prevail (Fishbein), 81, 5:40
- A practical approach to futile care (Civetta), 81, 2:24
- Surgical decision making and elderly patients (Eisman), 81, 2:8

### ETHICS AND PHILOSOPHY LECTURE

The gift of life: Ethical issues in organ transplantation (Childress), 81, 3:8

## G

### GENETIC TESTING

As I see it (Ebert), 81, 2:4

## H

### HEALTH CARE REFORM

ACS supports insurance reforms, 81, 5:47

As I see it (Ebert), 81, 8:4, 9:4, 11:4

Columbia/HCA: Transforming the health care marketplace (Rogers), 81, 4:26

Dateline: Washington: Additional insurance reforms enacted, 81, 11:6

Dateline: Washington: Congress passes insurance reforms, 81, 9:6

Dateline: Washington: Health care antitrust policies revised

Dateline: Washington: Health insurance addressed in State of Union speech, 81, 3:7

Dateline: Washington: House passes health insurance reforms, 81, 5:6

Dateline: Washington: Presidential commission on quality announced, 81, 11:6

Health care systems reform: 1995 state legislative wrap-up (Seward), 81, 3:40

### HISTORY OF MEDICINE/SURGERY

Armed forces consultants remembered at 50 (Hall), 81, 6:47

A century of progress in otorhinolaryngology (Pratt), 81, 9:27

Charles R. Drew: A doyen of American surgery (Organ), 81, 1:12

George Washington Crile: Head and neck surgery pioneer (Shedd and DeLacure), 81, 11:26

Nicholas Senn: Outrider of modern head and neck oncology (Shedd and DeLacure), 81, 8:19

On World War II, battlefield surgery, and three wandering consultants (Couch), 81, 1:20

Vaccination's bicentennial: A surgical landmark (Roses), 81, 5:28

## I

### INFORMATICS

Cybersurgeon: Advanced simulation technologies for surgical education (Sátava), 81, 7:77

Cybersurgeon: The College goes online, 81, 2:44

Cybersurgeon: Getting connected (Krusch), 81, 2:45

Keeping Current: *Scientific American Surgery* goes electronic (Wilmore), 81, 5:46

Send us your e-mail address, 81, 10:44

Want to find the ACS website or send an e-mail message? 81, 2:44

### INTERNATIONAL MEETINGS

ACS/German Surgical Society joint meeting: A special mix of surgical and social science (Strauch), 81, 9:49

Hungarian medical group to meet in October, 81, 4:51, 7:93

IFSC activity update, 81, 10:45

International meetings calendar, 81, 5:51, 10:53

Joint scientific meeting in Germany to be convened in May, 81, 2:62

103rd AMSUS meeting approaches, 81, 10:47

## L

### LEGISLATION

Dateline: Washington: Additional insurance reforms enacted, 81, 11:6

Dateline: Washington: House approves ban on procedure patents, 81, 9:7

Dateline: Washington: New tax may affect physicians in not-for-profit hospitals, 81, 11:7

Embryonic law: A legal development (Sojka), 81, 10:32

Health care systems reform: 1995 state legislative wrap-up (Seward), 81, 3:41

Idaho court declares: Optometrists not allowed to do laser surgery, 81, 12:77

In their own words: Surgeon representatives discuss legislative and regulatory issues, Part I (Brown), 81, 9:21; Part II (Parks), 81, 10:14

Patent claim invalidated, 81, 6:66

Trends in federal health legislation (Haug and Brown), 81, 6:38

## M

### MANAGED CARE

Bottom line: Understanding stop-loss coverage in managed care plans (Conomikes), 81, 5:44

Can surgical innovation survive? (McKneally), 81, 4:8

Columbia/HCA: Transforming the health care marketplace (Rogers), 81, 4:26

Dateline: Washington: COGME issues report on managed care, 81, 1:7

Dateline: Washington: HCFA finds favorable selection in Medicare HMOs, 81, 10:7

Dateline: Washington: NPDB reports on claims against managed care, 81, 6:6

Exploring snares in indemnity contracts (Klein), 81, 4:30

Federal antitrust reform: Is relief for physicians on the way? (Lauderbaugh), 81, 1:32

The ICU's financial future (Krieger), 81, 2:30

Legal tips in the managed care age (Palmisano), 81, 5:36  
Monitoring quality of medical care: How about a level playing field? (Richardson and Polk), 81, 1:28  
MSOs: Key factors surgeons should consider (Gorey), 81, 11:13  
Physician-directed managed care organizations: An interview with Tim Norbeck (Seward), 81, 8:12  
What does your future hold: Capitation or decapitation? (Hansen), 81, 2:12  
Young surgeons at managed care's ground zero (Krieger), 81, 11:18

#### **MARTIN MEMORIAL LECTURE**

Health care myths at the end of life (Rowe), 81, 6:11

#### **MEDICAL WORKFORCE (see WORKFORCE)**

#### **MEDICARE/MEDICAID**

An issue of equity: Properly valuing the evaluation and management component of the surgical global period (Gage and Parks), 81, 7:8

As I see it (Ebert), 5:4

Dateline: Washington: ACS comments on payment to teaching physicians, 81, 4:6

Dateline: Washington: Bill introduced on physician practice expenses, 81, 9:7

Dateline: Washington: Clinton vetoes Medicare budget bill, 81, 1:6

Dateline: Washington: College testifies before PPRC, 81, 2:6

Dateline: Washington: Congress drafts Medicaid reforms, 81, 7:6

Dateline: Washington: Fellows appointed to HCFA panels, 81, 2:7

Dateline: Washington: HCFA ends data collection effort, 81, 11:7

Dateline: Washington: HCFA finds favorable selection in Medicare HMOs, 81, 10:7

Dateline: Washington: HCFA publishes proposal for five-year review, 81, 6:7

Dateline: Washington: HCFA sets limits on physician risk plans, 81, 5:7

Dateline: Washington: HHS issues 1997 Medicare hospital updates, 81, 10:6

Dateline: Washington: HHS recommends '97 fee updates and MVPSSs, 81, 10:6

Dateline: Washington: Medicare "correct coding" takes effect, 81, 2:6

Dateline: Washington: Medicare hospital insurance trust fund loses money, 81, 3:6

Dateline: Washington: Medicare participation rates continue to rise, 81, 7:7

Dateline: Washington: Medicare trustees predict trust fund bankruptcy, 81, 7:7

Dateline: Washington: PPRC drafts update recommendations, 81, 6:6

Dateline: Washington: President Clinton releases budget details, 81, 5:6

Dateline: Washington: President issues his alternative Medicare proposal, 81, 1:6

Health care myths at the end of life (Rowe), 81, 6:11

What surgeons should know about...Compliance with Medicare teaching physician payment regulations (Hill), 81, 11:8

What surgeons should know about...HCFA's proposed Medicare five-year review regulations (Parks), 81, 9:8

What surgeons should know about...New Medicare teaching regulations (Hill), 81, 6:8

What surgeons should know about...The 1996 Medicare fee schedule (Brown), 81, 1:9

## **O**

#### **OPERATING ROOM ENVIRONMENT**

The ICU's financial future (Krieger), 81, 2:30

#### **OPHTHALMOLOGY**

Idaho court declares: Optometrists not allowed to do laser surgery, 81, 12:77

#### **OTORHINOLARYNGOLOGY**

Advisory Councils: Workforce issues in otorhinolaryngology for 2010 (Miller), 81, 6:54

A century of progress in otorhinolaryngology (Pratt), 81, 9:27

#### **OUTREACH PROGRAMS**

Albert Schweitzer Institute: Call for assistance, 81, 2:65  
Cancer representatives visit Kazakhstan (Clive and Rezek), 81, 1:46

Cuba in need of supplies, 81, 3:51

An experience in general surgery: Zambia, Africa (Howell and Furman), 81, 10:8

General surgeons needed in Burundi, 81, 3:59

An old surgeon finds new work (Finley), Part I, 81, 6:28; Part II, 81, 7:15

Work and service in Bangladesh: The medical needs are manifold and profound (Holmes), 81, 5:8

## **P**

#### **PEDIATRIC SURGERY**

Advisory Councils: The training of the pediatric surgeon (Rowe), 81, 10:36

Advisory Councils: Workforce issues in pediatric surgery (O'Neill), 81, 4:34

#### **PRACTICE MANAGEMENT**

ACS survey explores retirement issues (Miscall, Tompkins, Greenfield), 81, 12:18

Bottom Line: Understanding stop-loss coverage in managed care plans (Conomikes), 81, 5:44

Dateline: Washington: Bill introduced on physician practice expenses, 81, 9:7

Dateline: Washington: HCFA ends data collection effort, 81, 11:7  
 Facts and Figures: Cash management and budgeting (Chapman), 81, 10:41  
 Facts and Figures: Education planning (Chapman), 81, 12:68  
 Facts and Figures: Financial planning for surgeons (Chapman), 81, 8:29  
 Keeping Current: How to use *Scientific American Surgery CD-ROM* in your practice (Wilmore), 81, 12:71  
 Let common sense prevail (Fishbein), 81, 5:40  
 MSOs: Key factors surgeons should consider (Gorey), 81, 11:13  
 Practice expense studies: An update (Parks), 81, 7:26  
 What does your future hold: Capitation or decapitation? (Hansen), 81, 2:12  
 What surgeons should know about . . . Antitrust guidelines for joint ventures and networks (Lauderbaugh), 81, 12:8

#### PROFESSIONAL LIABILITY

Antitrust law: A remedy for poor peer review (Peacock), 81, 3:35  
 As I see it (Ebert), 81, 7:4  
 At Clinical Congress: Liability in various health settings to be examined, 81, 8:39  
 College works to address expert witness issues (Nora), 81, 12:44  
 Dateline: Washington: Antitrust bill introduced, 81, 4:7  
 Dateline: Washington: NPDB reports on claims against managed care, 81, 6:6  
 DRI seeks to document expert witness bias, 81, 2:89, 4:52, 7:93  
 Embryonic law: A legal development (Sojka), 81, 10:32  
 Exploring snares in indemnity contracts (Klein), 81, 4:30  
 Governors at Work: Committee on Professional Liability (Fischer), 81, 2:41  
 Legal tips in the managed care age (Palmisano), 81, 5:36  
 The NPDB and surgical residents (Fischer), 81, 4:22  
 Preparing for a defense trial? College offers materials that can help, 81, 1:44  
 Radiologic studies and cost-effectiveness in head injuries (Camins), 81, 8:16

## Q

#### QUALITY OF CARE

Antitrust law: A remedy for poor peer review (Peacock), 81, 3:35  
 As I see it (Ebert), 81, 11:4, 12:4

Despite all odds: How do we continue to practice good medicine? (Close), 81, 3:23  
 Monitoring the quality of care: How about a level playing field? (Richardson and Polk), 81, 1:28  
 Patient relations: A little generosity creates a lot of good will (Schoenberg), 81, 10:21

## S

#### SCUDDER ORATION ON TRAUMA

Verification: The pursuit of optimal trauma care (Mitchell), 81, 5:20

#### SOCIOECONOMICS

Dateline: Washington: Congress considers FDA reforms, 81, 5:7  
 Dateline: Washington: Congress passes 1997 budget, 81, 7:6  
 Dateline: Washington: PPRC appoints new executive director, 81, 3:7  
 Federal antitrust reform: Is relief for physicians on the way? (Lauderbaugh), 81, 1:32  
 Health care systems reform: 1995 state legislative wrap-up (Seward), 81, 3:41  
 New AMA chief calls for united front: "We physicians are all bound together": An interview with P. John Seward, MD (Breo), 81, 6:19  
 Socioeconomic workshop schedule set for 1996 (Clark), 81, 1:39

#### SURGEONS

ACS survey explores retirement issues (Miscall, Tompkins, Greenfield), 81, 12:18  
 Charles R. Drew: A doyen of American surgery (Organ), 81, 1:12  
 Despite all odds: How do we continue to practice good medicine? (Close), 81, 3:23  
 General surgeons needed in Burundi, 81, 3:59  
 George Washington Crile: Head and neck surgery pioneer (Shedd and DeLacure), 81, 11:26  
 New AMA chief calls for united front: "We physicians are all bound together": An interview with P. John Seward, MD (Breo), 81, 6:19  
 Nicholas Senn: Outrider of modern head and neck oncology (Shedd and DeLacure), 81, 8:19  
 An old surgeon finds new work (Finley), Part I, 81, 6:28; Part II, 81, 7:15  
 On World War II, battlefield surgery, and three wandering consultants (Couch), 81, 1:20

#### SURGERY

As I see it (Ebert), 81, 11:4; 12:4  
 Dateline: Washington: AHCPH issues booklet on surgery, 81, 4:7  
 Is "caring" cognitive? (Peabody), 81, 9:19  
 Keeping Current: Surgery text features new chapters on operative technique (Wilmore), 81, 9:41

Medical complications of antipersonnel land mines (Cobey), 81, 8:8  
Organization forms for surgery of obesity, 81, 1:41  
Patent claim invalidated, 81, 6:66  
Statement on principles underlying perioperative responsibility, 81, 9:39  
Surgical decision making and elderly patients (Eiseman), 81, 2:8  
Work and service in Bangladesh: The medical needs are manifold and profound (Holmes), 81, 5:8  
**SURGICAL RESEARCH**  
FYI, 81, 1:48, 2:95, 4:52, 5:56, 6:72, 7:95, 8:48, 9:56, 10:56, 11:48, 12:86  
1996 ACS Faculty Research Fellowships awarded, 81, 4:44  
Surgical research clearinghouse, 81, 2:67  
**SURGICAL SPECIALTIES**  
Ten speciality boards report goals and achievements, 81, 12:46

## T

### TECHNOLOGY

Can surgical innovation survive? (McKneally), 81, 4:8  
Course on ultrasound planned for general surgeons, 81, 3:53  
Cybersurgeon: Advanced simulation technologies for surgical education (Satava), 81, 7:77  
Statement on indications for the use of permanently implanted cardiac pacemakers, 81, 2:40  
Suggestions for accreditation of surgeons who perform image-directed breast biopsies, 81, 9:37

### TRANSPLANTATION

The gift of life: Ethical issues in organ transplantation (Childress), 81, 3:8

### TRAUMA

Dateline: Washington: Clinton signs brain injury law, 81, 9:7

Dateline: Washington: President signs temporary health spending bill, 81, 3:6  
Medical complications of antipersonnel land mines (Cobey), 81, 8:8  
1997 Residents' Trauma Papers Competition, 81, 8:42  
Prophylaxis against tetanus in wound management (Ross), 81, 5:42  
Radiologic studies and cost-effectiveness in head injuries (Camins), 81, 8:16  
Trauma and Critical Care—1997 scheduled, 81, 12:85  
Trauma meeting scheduled for Boston in May, 81, 3:59  
Trauma meetings calendar, 81, 2:91, 5:51, 6:62, 8:37, 9:52, 12:75  
Verification: The pursuit of optimal trauma care (Mitchell), 81, 5:20

## W

### WORKFORCE

Advisory Councils: Workforce issues in otorhinolaryngology for 2010 (Miller), 81, 6:54  
Advisory Councils: Workforce issues in pediatric surgery (O'Neill), 81, 4:34  
Albert Schweitzer Institute: Call for assistance, 81, 2:65  
Dateline: Washington: COGME issues report on managed care, 81, 1:7  
Dateline: Washington: IOM issues physician workforce report, 81, 4:6  
Presidential Address: "Some of the King's horses..." 81, 12:12

## Y

### YOUNG SURGEONS

25th Young Surgeons Meeting examines quality, medicolegal issues (Regnier), 81, 6:63  
Young surgeons at managed care's ground zero (Krieger), 81, 11:18

# Bulletin Index: Volume 82, Numbers 1-12

#### **Clinical Congress**

- At Clinical Congress: Liability in changing health settings to be examined, 82, 9:53
- At Clinical Congress: The Resident Reporter Program, 82, 9:51
- At Clinical Congress: Young Surgeons' program to address patient advocacy, 82, 8:64
- Clinical Congress is on the way, 82, 6:51
- Clinical Congress 1997: Highlights, 82, 12:19
- Contributions to the 1998 Surgical Forum are requested, 82, 12:53
- New at this year's Clinical Congress, 82, 9:47
- 1996 Clinical Congress videotapes available, 82, 5:47
- 1997 Clinical Congress preliminary program, 82, 7:16
- SAGES to host programs during Clinical Congress, 82, 9:55
- Scientific contributions sought for 1998 Clinical Congress, 82, 12:56

#### **Committees**

- ACS committee seeks program graduates, 82, 3:45, 10:37
- Medical Student Program grads sought, 82, 5:55, 6:55

#### **Development**

- Charitable planning: Giving through appreciated stock (Benson), 82, 9:43
- Dr. and Mrs. Lincke named 1997 philanthropy award nominees (Benson), 82, 9:42
- Giving to charity? Consider a Charitable Gift Annuity (Benson), 82, 5:45
- Mayne Heritage established for recognition (Benson), 82, 10:39
- Use charitable remainder trusts to achieve your financial goals (Benson), 82, 10:41

#### **Disciplinary actions**

- Maintenance of Fellowship is jeopardized by infractions of College principles/Disciplinary actions taken, 82, 8:49

#### **Distinguished Service Award**

- Dr. Fischer receives top ACS honor, 82, 11:25

#### **Fellows**

- Dr. Spencer named ASA president, 82, 9:43
- Fellows active in breast cancer issues, 82, 9:45
- Fellows and facts, 82, 4:47, 9:49
- John Cooksey, MD, FACS, joins 105th Congress, 82, 1:40
- Missionary surgeons celebrate three generations of Fellowship, 82, 1:61

- President Nixon and a bad prophecy (Skandalakis), 82, 3:42
- Remembrance of Ralph D. Alley, MD, FACS (McKneally), 82, 1:38
- Samuel A. Wells, Jr., MD, FACS, named new Director, 82, 8:45
- Walt Breast Center expands, 82, 9:45

#### **Fiscal Affairs**

- ACS Insurance Program offers coverage by NY Life, 82, 2:47
- Governors at Work: Committee to Study the Fiscal Affairs of the College (Logan), 82, 2:40
- Life membership option now available, 82, 4:39

#### **Governors, Board of**

- The formulation of College policy: Clarification (Stephenson), 82, 10:45
- Governors at Work: Committee on Ambulatory Surgical Care (Reiling), 82, 1:32
- Governors at Work: Committee on Blood-Borne Pathogens (Flint), 82, 2:36
- Governors at Work: Committee on Chapter Activities (Fratianne), 82, 2:37
- Governors at Work: Committee on Physicians' Health (Greenfield), 82, 2:39
- Governors at Work: Committee on Professional Liability (Fischer), 82, 1:34
- Governors at Work: Committee on Socioeconomic Issues (Tunmer), 82, 1:36
- Governors at Work: Committee on Surgical Practice in Hospitals (Smith), 82, 1:37
- Governors at Work: Committee to Study the Fiscal Affairs of the College (Logan), 82, 2:40
- Report of the Chair of the Board of Governors (Nahrwold), 82, 12:26
- System for outcomes-based surgical report card developed by the Governors' Committee on Socioeconomic Issues (Tunmer, Christy, Whipple), 82, 8:18

#### **Honorary Fellows**

- ACS awards four Honorary Fellowships, 82, 11:26
- Citation for Professor Geoffrey Ian Taylor (Krizek), 82, 11:28
- Citation for Professor J. Rudiger Siewert (Langer), 82, 11:31
- Citation for Professor Olajide Olaolu Adedapo Ajayi (Leffall), 82, 11:26
- Citation for Professor Richard Trevor Turner-Warwick (Peters), 82, 11:30

#### **Journal of the American College of Surgeons (JACS)**

- FYI, 82, 1:72, 2:87, 4:48, 5:56, 6:56, 7:71, 8:63, 9:63, 10:47, 11:39, 12:60
- Message from the Editor (Schwartz), 82, 7:71, 8:63, 9:63, 10:47, 11:39, 12:60
- Metamorphosis of the *Journal* (Schwartz), 82, 5:37

### Meetings

- Committee on Trauma and ACEP share views on issues in trauma care, 82, 5:39
- SAE workshop scheduled for September, 82, 5:37
- Trauma meeting to be held in Boston, 82, 4:39
- 26th Young Surgeons' meeting examines managed care (Regnier), 82, 6:45

### Officers and staff

- ACS Officers and Regents, 82, 6:38, 9:38, 12:47
- Samuel A. Wells, Jr., MD, FACS, named new Director, 82, 8:45
- Seymour I. Schwartz, MD, FACS, becomes 78th President, 82, 11:23

### Opening Ceremony Lecture

- The AAOO centennial: Using past achievements to address future challenges (Lucente), 82, 2:23

### Presidential Address

- Credo, conduct, and credibility (Schwartz), 82, 12:8

### Publications

- Helmet removal from injured patients (McSwain, Gamelli), 82, 8:42
- Initial management of maxillofacial injuries (Seyfer), 82, 10:34
- Keeping Current: *Scientific American Surgery* begins new growth phase (Harken), 82, 11:22
- Keeping Current: *Scientific American Surgery* continues expansion (Holcroft), 82, 5:33
- Preparing for a defense trial? College offers materials that may help, 82, 8:57

### Reports to the Fellows

- Report of the Chair of the Board of Governors (Nahrwold), 82, 12:26
- Report of the Chair of the Board of Regents (Schwartz), 82, 12:25

### Regents, Board of

- The formulation of College policy: Clarification (Stephenson), 82, 10:45
- Highlights of the Board of Regents meeting, February 7-8, 1997 (Lynch), 82, 5:51
- Highlights of the Board of Regents meeting, June 6-7, 1997 (Lynch), 82, 9:57
- Report of the Chair of the Board of Regents (Schwartz), 82, 12:25

### Scholarships/Fellowships

- As I See It (Ebert), 82, 12:4
- Cancer awards/fellowships available, 82, 11:36
- International Guest Scholarships available, 82, 11:34
- 1997 ACS Faculty Research Fellowships awarded, 82, 4:44
- 1997 international scholars selected, 82, 2:47
- 1997 research scholarships and award granted, 82, 1:56
- 1998 Residents' Trauma Papers Competition, 82, 8:47
- 1998 scholarships, fellowships, award notice, 82, 2:49
- 1999 travelling fellowship announced, 82, 12:52

- Report of the 1997 ACS Travelling Fellow (Mulholland), 82, 11:37
- Travelling fellowship available, 82, 11:32
- Update on 1997 Faculty Research Fellowships, 82, 12:51
- Wyeth-Ayerst Labs to sponsor Resident Research Scholarship, 82, 7:63

### Scudder Oration on Trauma

- With liberty and justice for all (Ledgerwood), 82, 1:16

### Spring Meeting

- April 5-9, 1997: 25th annual Spring Meeting set for San Diego, 82, 1:41
- Spring meeting approaches, 82, 2:79

### Testimony

- Dateline: Washington: ACS testifies at IOM injury hearing, 82, 9:7
- Dateline: Washington: ACS testifies before FDA, 82, 12:7
- Dateline: Washington: ACS testifies on Medicare budget, 82, 4:6
- Dr. Murray testifies before the PPRC, 82, 2:46
- Dr. Schwartz testifies before Senate Finance Committee, 82, 4:38

## B

### BIOMEDICAL RESEARCH

- Animal care organization changes name, 82, 3:45

### BLOOD-BORNE DISEASES

- Governors at Work: Committee on Blood-Borne Pathogens (Flint), 82, 2:36
- Foundation offers AIDS brochure, 82, 7:63
- Hepatitis: An overview of important issues (Fry, Flint), 82, 2:8

### BREAST CANCER

- ACS participates in congressional press conference, 82, 6:42
- Beyond the credentialing and privileging controversy surrounding image-guided breast biopsy: The rationale for a national registry for quantifying outcomes (Edwards, Israel), 82, 6:20
- Breast disease curriculum available, 82, 2:87, 6:43
- Dateline: Washington: ACS testifies before FDA, 82, 12:7
- Dateline: Washington: Congress approves breast cancer stamp, 82, 9:7
- Dateline: Washington: Outpatient mastectomy prohibited by Medicare, 82, 4:7
- Fellows active in breast cancer issues, 82, 9:45
- Image-guided breast biopsy course offerings, 82, 9:51
- Locations for 1997/1998 courses on image-guided breast biopsy announced, 82, 10:48
- The Mammography Quality Standards Act and interventional mammography procedures (Houn, Finder), 82, 3:14
- Physician qualifications for stereotactic breast biopsy, 82, 9:11

Stereotactic breast biopsy: An overview (Winchester), 82, 9:10  
Walt Breast Center expands, 82, 9:45

## C

### **CANCER (see also: BREAST CANCER)**

Cancer awards/fellowships available, 82, 11:36  
COC celebrates anniversary, 82, 8:51

### **CARDIAC SURGERY**

Guidelines for standards in cardiac surgery (Advisory Council for Cardiothoracic Surgery), 82, 2:27

### **COMPUTER INFORMATION TECHNOLOGY (see INFORMATICS)**

### **COST ANALYSIS**

Dateline: Washington: Management more cost-effective than prevention, 82, 10:7

### **CREDENTIALING (see also: BREAST CANCER)**

As I see it . . . (credentialing) (Ebert), 82, 10:4

## E

### **EDUCATION**

Breast disease curriculum available, 82, 2:87, 6:43  
Dateline: Washington: HCFA announces GME pilot, 82, 4:6

The effects of health care reform on graduate medical education and research (Folse), 82, 3:23

Graduate education in surgery: Too long? (Wilcox), 82, 5:28

Image-guided breast biopsy course offerings, 82, 9:51  
In Cambodia: IFSC provides pediatric education (Nyhus), 82, 1:58

In Dresden: Reunited Germany has new medical school (Peiper, Bushe), 82, 7:65

Keeping Current: *Scientific American Surgery* begins new growth phase (Harken), 82, 11:22

Keeping Current: *Scientific American Surgery* continues expansion (Holcroft), 82, 5:33

Locations for 1997-1998 courses on image-guided breast biopsy announced, 82, 10:48

SAE workshop scheduled for September, 82, 5:37

Tumor boards and CME credits (Lauve, Lucente), 82, 10:31

Ultrasound in trauma course set for April, 82, 3:45

What surgeons should know about . . . The Balanced Budget Act of 1997 (Brown, Desmarais, Hill), 82, 10:8

### **ETHICS**

Presidential Address: Credo, conduct, and credibility (Schwartz), 82, 12:8

Dateline: Washington: HHS reports on records confidentiality, 82, 11:6

Dateline: Washington: Advance directives have limited effect, 82, 10:7

Ethical considerations in perioperative care (Strauch), 82, 2:18

Patient privacy recommendations: What do they mean? (Portman), 82, 12:14

## F

### **FOOD AND DRUG ADMINISTRATION**

Dateline: Washington: ACS testifies before FDA, 82, 12:7

Dateline: Washington: Congress progresses with FDA reforms, 82, 12:7

## G

### **GYNECOLOGY AND OBSTETRICS**

Advisory Councils: Diagnosis and treatment of ectopic pregnancy (Ory), 82, 9:31

## H

### **HEALTH CARE REFORM**

As I see it . . . (hospital stays) (Ebert), 82, 2:4

Dateline: Washington: Agencies draft insurance reform rules, 82, 5:7

Dateline: Washington: Justice issues fraud and abuse control plan, 82, 3:7

Dateline: Washington: New AHCPR commissioner appointed, 82, 5:7

The effects of health care reform on graduate medical education and research (Folse), 82, 3:23

Health systems reform: 1996 state legislative wrap-up (Seward), 82, 2:14

Setting standards for national health care: The National Committee for Quality Assurance (Brown), 82, 1:12

What surgeons should know about . . . Medical savings accounts (Gallagher), 82, 1:8

What surgeons should know about . . . The fraud and abuse provisions of the Kassebaum-Kennedy bill (Desmarais), 82, 3:8

### **HISTORY OF MEDICINE/SURGERY**

The AAOO centennial: Using past achievements to address future challenges (Lucente), 82, 2:23

Civil War society to meet, 82, 1:66

The day surgery was changed forever (Rutledge), 82, 11:8

Grant Ward: Head and neck oncologist (Shedd, DeLacure, Saunders), 82, 11:18

In Dresden: Reunited Germany has new medical school (Peiper, Bushe), 82, 7:65

President Nixon and a bad prophecy (Skandalakis), 82, 3:42

Society of Civil War Surgeons to meet, 82, 10:45

Surgical role models: Who will be next? (Longmire), 82, 5:17

### **HOSPITALS**

As I see it . . . (hospital-based surgeons) (Ebert), 82, 7:4

Governors at Work: Committee on Surgical Practice in Hospitals (Smith), 82, 1:37  
Postoperative lengths of stay: Can they be defined by a specific number of days? (Parks), 82, 4:27

## I

### IMPAIRED PHYSICIANS

Educational video looks at being "Out of Control," (Meyer) 82, 8:46

### IN MEMORIA

Remembrance of Ralph D. Alley, MD, FACS (McKneally), 82, 1:38

### INFORMATICS

Information management systems in the OR: Making a commitment (Sandrick), 82, 9:15

### INTERNATIONAL MEETINGS

International meetings calendar, 82, 5:55, 6:55

ISHIB to hold conference in London, 82, 6:43

Latin American Congress to be held in May 1998, 82, 12:51

Meeting to study advances in immunosuppression therapy, 82, 11:40

Plan ahead for conference down under, 82, 8:47

## L

### LEGISLATION

ACS participates in congressional press conference, 82, 6:42

Dateline: Washington: Agencies draft insurance reform rules, 82, 5:7

Dateline: Washington: Congress approves breast cancer stamp, 82, 9:7

Dateline: Washington: HHS reports on records confidentiality, 82, 11:6

Dateline: Washington: Justice issues fraud and abuse control plan, 82, 3:7

Dateline: Washington: President signs Balanced Budget Act, 82, 9:6

Presidential disability and the XXV Amendment (Greenfield), 82, 4:24

What surgeons should know about . . . The Balanced Budget Act of 1997 (Brown, Desmarais, Hill), 82, 10:8

What surgeons should know about . . . The fraud and abuse provisions of the Kassebaum-Kennedy bill (Desmarais), 82, 3:8

## M

### MANAGED CARE

Congress considers issues related to managed care (Hill), 82, 4:18

Dateline: Washington: GAO issues report on "gag clauses," 82, 11:6

Postoperative lengths of stay: Can they be defined by a specific number of days? (Parks), 82, 4:27

### MEDICARE

As I see it . . . (separate conversion factors) (Ebert), 82, 9:4

As I see it . . . (volume of service issues) (Ebert), 82, 4:4

Dateline: Washington: ACS responds to fee schedule proposals, 82, 10:6

Dateline: Washington: ACS testifies on Medicare budget, 82, 4:6

Dateline: Washington: Bills on private contracting introduced, 82, 12:6

Dateline: Washington: "Blue Dog" Democrats release budget plan, 82, 4:7

Dateline: Washington: Congress approves single conversion factor, 82, 8:7

Dateline: Washington: HCFA issues 1997 MVPSs, fee updates, 82, 1:6

Dateline: Washington: HCFA issues rule on treatment denials, 82, 6:6

Dateline: Washington: HCFA develops preliminary practice expense RVUs, 82, 3:6

Dateline: Washington: HCFA issues 1998 fee schedule, 82, 12:6

Dateline: Washington: HCFA meets on teaching physician payment, 82, 1:7

Dateline: Washington: HCFA proposes fee schedule changes, 82, 8:6

Dateline: Washington: Hospital payment rates frozen, 82, 10:6

Dateline: Washington: House committees approve Medicare budget, 82, 7:6

Dateline: Washington: Medicare participation to rise, 82, 7:7

Dateline: Washington: Medicare trustees issue annual report, 82, 6:7

Dateline: Washington: Members appointed to MedPAC, 82, 11:7

Dateline: Washington: Outpatient mastectomy prohibited by Medicare, 82, 4:7

Dateline: Washington: PPRC estimates 1998 payment updates, 82, 6:6

Dateline: Washington: PPRC issues 1997 report, 82, 5:6

Dateline: Washington: President issues FY 1998 budget, 82, 3:6

Dateline: Washington: President signs Balanced Budget Act, 82, 9:6

Dateline: Washington: Proposed rule issued on practice expenses, 82, 8:6

Dr. Schwartz testifies before Senate Finance Committee, 82, 4:38

The graying of America: Major Social Security and Medicare battles are just beginning (Markus), 82, 10:25

Medicare CACs and the surgical community: Why surgeons should get involved (Rogers, Seward), 82, 8:34  
 The 1997 Medicare fee schedule and results for the five-year review (Brown), 82, 3:18  
 What surgeons should know about . . . The Balanced Budget Act of 1997 (Brown, Desmarais, Hill), 82, 10:8  
 What surgeons should know about . . . The Correct Coding Initiative (Conomikes), 82, 9:8  
 What surgeons should know about . . . The future of the fee schedule conversion factors and MVPs (Brown), 82, 5:8

## N

### NEUROLOGICAL SURGERY

Advisory Councils: Development of guidelines for severe head injury (Wilberger), 82, 4:29

## O

### OPERATING ROOM ENVIRONMENT

Fires in the operating room (Podnos, Williams), 82, 8:14  
 Information management systems in the OR: Making a commitment (Sandrick), 82, 9:15  
 Latex allergy: How safe are your gloves? (Meyer, Beezhold), 82, 7:13  
 Symposium explores information management in the OR (Regnier), 82, 8:53

### OPHTHALMOLOGY

The AAOO centennial: Using past achievements to address future challenges (Lucente), 82, 2:23

### OTORHINOLARYNGOLOGY

The AAOO centennial: Using past achievements to address future challenges (Lucente), 82, 2:23  
 Advisory Councils: Immunology of head and neck surgery (Richtsmeier), 82, 6:32  
 Grant Ward: Head and neck oncologist (Shedd, DeLacure, Saunders), 82, 11:18

### OUTREACH PROGRAMS

Neurosurgery in Nepal (Barsoum), 82, 4:8  
 1940-1984: Two lifetimes of medical adventure (Per-rill), 82, 10:15  
 A rewarding trip (letter) (Untracht), 82, 5:43  
 Surgeons needed in Burundi, 82, 3:40  
 Surgery on the edge of the desert (Adolph, Adolph), 82, 6:8  
 Surgical care in Kyrgyzstan (Leininger), 82, 9:19  
 Teaching microsurgery in developing countries (Katzen, Ruiz-Razura, Leiva), 82, 7:8

## P

### PEER REVIEW

As I see it . . . (Ebert), 82, 1:4

### PHYSICIAN REIMBURSEMENT

Dr. Murray testifies before the PPRC, 82, 2:46  
 The RUC—Its past, present, and future: An interview with Grant Rodkey, MD, FACS (Parks), 82, 5:13

### PLASTIC AND MAXILLOFACIAL SURGERY

Initial management of maxillofacial injuries (Seyfer), 82, 10:34

### PRACTICE MANAGEMENT

Facts and Figures: Risk management and insurance (Part I) (Chapman), 82, 2:42  
 Facts and Figures: Risk management and insurance (Part II) (Chapman), 82, 4:34  
 Fellows respond to capitation issues (Hansen), 82, 1:27  
 Marketing your surgical practice to managed care plans and gatekeepers (Conomikes), 82, 2:33

### PROFESSIONAL LIABILITY

At Clinical Congress: Liability in changing health settings to be examined, 82, 9:53  
 College works to address expert witness issues (Nora), 82, 3:47  
 Governors at Work: Committee on Professional Liability (Fischer), 82, 1:34  
 Hands-on approach to patient grievances: An interview with Charles R. Hatcher, Jr., MD, FACS (Sandrick), 82, 8:39  
 National Practitioner Data Bank (letter) (Chen, Oshel), 82, 1:67  
 National Practitioner Data Bank: Response by Dr. Fischer (letter) (Fischer), 82, 1:68  
 Practice guidelines and liability implications (Griffen, Fischer), 82, 3:29  
 Preparing for a defense trial? College offers materials that may help, 82, 8:57  
 Professional liability manual updated, 82, 1:62  
 A 20-year experience with malpractice screening panels (Kridelbaugh, Palmisano), 82, 5:21

## Q

### QUALITY OF CARE

As I see it . . . (access to services) (Ebert), 82, 5:4  
 As I see it . . . (hospital-based surgeons) (Ebert), 82, 7:4  
 Dateline: Washington: HHS prepares for new data bank, 82, 6:6  
 Dateline: Washington: NPDB considers issue of resident physicians, 82, 2:6  
 Ethical considerations in perioperative care (Strauch), 82, 2:18  
 Outcomes assessment: A primer (Reemtsma, Morgan), 82, 3:34  
 Postoperative lengths of stay: Can they be defined by a specific number of days? (Parks), 82, 4:27  
 Practice guidelines and liability implications (Griffen, Fischer), 82, 3:29

Setting standards for national health care: The National Committee for Quality Assurance (Brown), 82, 1:12  
The surgeon's role in palliative care (Milch, Dunn), 82, 4:14  
Using surgical outcomes data (Reemtsma, Heath), 82, 5:24  
System for outcomes-based surgical report card developed by the Governors' Committee on Socioeconomic Issues (Tunner, Christy, Whipple), 82, 8:18

## S

### SOCIOECONOMICS

As I see it . . . (congressional visits) (Ebert), 82, 8:4  
Dateline: Washington: HHS announces personnel changes, 82, 2:7  
Dateline: Washington: New AHCPR commissioner appointed, 82, 5:7  
Dateline: Washington: New members appointed to congressional committees, 82, 1:6  
Dateline: Washington: Shalala names deputy HCFA administrator, 82, 8:7  
The graying of America: Major Social Security and Medicare battles are just beginning (Markus), 82, 10:25  
Governors at Work: Committee on Socioeconomic Issues (Tunner), 82, 1:36  
System for outcomes-based surgical report card developed by the Governors' Committee on Socioeconomic Issues (Tunner, Christy, Whipple), 82, 8:18

### SURGEONS

Presidential Address: Credo, conduct, and credibility (Schwartz), 82, 12:8  
Governors at Work: Committee on Physicians' Health (Greenfield), 82, 2:39  
The perils of independent practice (letter) (Reid), 82, 1:70  
Retired egos (letter) (Habein), 82, 5:42  
The surgeon's role in palliative care (Milch, Dunn), 82, 4:14  
Surgical role models: Who will be next? (Longmire), 82, 5:17

### SURGERY

ACS participates in congressional press conference, 82, 6:42  
Ethical considerations in perioperative care (Strauch), 82, 2:18  
Laparoscopic surgical procedures at the "recovery hotel" (Rosser), 82, 6:29  
Outpatient laparoscopy: Can we? Should we? How are we to know? (Payne), 82, 6:24  
Postoperative lengths of stay: Can they be defined by a specific number of days? (Parks), 82, 4:27

### SURGICAL RESEARCH

Dateline: Washington: NHLBI and HCFA announce LVRS participants, 82, 2:6  
FYI, 82, 1:72, 2:87, 4:48, 5:56  
The *Journal Page*, 82, 6:56, 7:71, 8:63, 9:63, 10:47, 11:39, 12:60

1997 ACS Faculty Research Fellowships awarded, 82, 4:44  
1997 research scholarships and award granted, 82, 1:56  
Surgical research clearinghouse, 82, 2:53  
Update on 1997 Faculty Research Fellowships, 82, 12:51  
Wyeth-Ayerst Labs to sponsor Resident Research Scholarship, 82, 7:63

### SURGICAL SOCIETIES

American Hernia Society founded, 82, 4:41  
Civil War society to meet, 82, 1:66  
Society of Civil War Surgeons to meet, 82, 10:45

### SURGICAL SPECIALTIES

As I see it . . . (subspecialization) (Ebert), 82, 6:4  
Surgical research clearinghouse, 82, 2:53  
Ten specialty boards report goals and achievements, 82, 12:27  
Trends in specialty certification (Seward), 82, 11:13

## T

### THORACIC SURGERY

Advisory Councils: The thoracic surgical workforce (Cohn), 82, 2:30

### TRAUMA

Advisory Councils: Development of guidelines for severe head injury (Wilberger), 82, 4:2  
Committee on Trauma and ACEP share views on issues in trauma care, 82, 5:39  
Helmet removal from injured patients (McSwain, Gammelli), 82, 8:42  
Initial management of maxillofacial injuries (Seyfer), 82, 10:34  
1997 trauma competition winners named, 82, 7:62  
1998 Residents' Trauma Papers Competition, 82, 8:47

- Governors at Work: Committee on Surgical Practice in Hospitals (Smith), 83, 1:42
- Governors at Work: Committee to Study the Fiscal Affairs of the College (Rothhammer), 83, 2:43

#### **Honorary Fellows**

- Citation for Prof. Adib Domingos Jatene (Wilcox), 83, 11:36
- Citation for Prof. Averil O. Mansfield (Goldstone), 83, 11:37
- Citation for Prof. Umberto Veronesi, 83, 11:39
- Citation for Sir Rodney Sweetnam (Rosenthal), 83, 11:38
- College awards four Honorary Fellowships, 83, 11:35

#### **Journal of the American College of Surgeons (JACS)**

- The *Journal* page, 83, 1:51, 2:96, 3:48, 4:64, 5:48, 6:64, 7:63, 8:56, 9:63, 10:39, 11:48, 12:92

#### **Meetings (see also: Clinical Congress, Spring Meeting)**

- Latin American Congress to be held in May, 83, 4:52
- Pediatric trauma to be emphasized: Trauma meeting slated for June, 83, 4:55
- Sixth ACS Latin American Congress held (Strauch), 83, 8:38
- Trauma meetings calendar, 83, 3:41, 6:50, 8:43, 9:54, 10:28, 12:79
- 27th annual meeting: Young surgeons consider future challenges to the profession (Regnier), 83, 7:57

#### **Officers and staff**

- ACS Officers and Regents, 83, 3:37, 6:47, 9:43, 12:69
- George F. Sheldon, MD, FACS, becomes 79th ACS President, 83, 11:32

#### **Presidential Address**

- Presidential Address: Professionalism, managed care, and the human rights movement (Sheldon), 83, 12:13

#### **Publications**

- College materials prepare surgeons for defense trial, 83, 6:55
- GMEC develops guide for medical students/PGY 1 surgical residents, 83, 7:55
- Residency prerequisite guide offered, 83, 6:53

#### **Regents, Board of**

- Highlights of the Board of Regents meeting, February 6-7, 1998 (Lynch), 83, 5:43
- Highlights of the Board of Regents meeting, June 5-6, 1998 (Lynch), 83, 9:56

#### **Scholarships/fellowships**

- Ethicon funds research scholarships, 83, 12:77
- International Guest Scholarships available, 83, 12:87

- 1998 international scholars selected, 83, 3:45
- 1998 research scholarships and award granted, 83, 1:47
- 1999 scholarships, fellowships, award notice, 83, 2:58
- Report from a Travelling Fellow (Adzick), 83, 11:43
- Resident Research Scholarship awarded, 83, 5:41
- Surgical research clearinghouse, 83, 2:62
- Travelling fellowship offered, 83, 11:46
- 2000 travelling fellowship announced, 83, 12:78

#### **Spring Meeting**

- April 26-29, 1998: 26th annual Spring Meeting set for Baltimore, MD, 83, 2:45
- Ultrasound for the general surgeon: An ACS initiative (Rozycki and Strauch), 83, 10:25

#### **Statements**

- Approval of courses in new skills, 83, 3:35
- Correction notice: Stereotactic breast biopsy, 83, 7:61
- Physician qualifications for stereotactic breast biopsy: A revised statement, 83, 5:30
- Statement on the Surgeon and HIV Infection, 83, 2:27
- Statement on Ultrasound Examinations by Surgeons, 83, 6:37
- Statement on the Use of Proprietary Guidelines by Managed Care Organizations, 83, 3:33
- Verification by the American College of Surgeons for the Use of Emerging Technologies, 83, 5:34

#### **Testimony**

- Dateline: Washington: ACS Comments on Practice Expense Methodology, 83, 2:6
- Dateline: Washington: ACS Comments on Practice Expense Proposal, 83, 10:6

### **MEETINGS**

#### **International**

—HMAA to meet in October, 83, 2:94, 4:52, 8:55

—Latin American Congress to be held in May, 83, 4:52

—Philippines to host trauma forum in November, 83, 5:41

—Sixth ACS Latin American Congress held (Strauch), 83, 8:38

—Trauma forum to be held in Philippines, 83, 8:37

#### **National**

SWSC celebrates 50 years, 83, 4:52

## **N**

### **NEUROLOGICAL SURGERY**

American Board of Neurological Surgery (Grubb), 83, 12:49

## **O**

### **OBSTETRICS AND GYNECOLOGY**

American Board of Obstetrics and Gynecology (Gant), 83, 12:51

### **ONCOLOGY**

SAGES to offer courses at Clinical Congress, 83, 10:30

### **OPERATING ROOM ENVIRONMENT**

CORE to sponsor AAMI conference on medical technology clinical trials, 83, 6:57

Dateline: Washington: CDC Issues Draft Guidelines On Surgical Site Infection, 83, 10:7

Decreasing delays in surgery starting times (Sandrick), 83, 1:31

### **OPHTHALMOLOGY**

American Board of Ophthalmology (Smith), 83, 12:55

Chapter News: New Jersey assists ophthalmologists to defeat legislation (Peebles), 83, 6:60

### **ORTHOPAEDIC SURGERY**

American Board of Orthopaedic Surgery (Simon), 83, 12:57

### **OTORHINOLARYNGOLOGY**

American Board of Otolaryngology (Healy), 83, 12:58

American Head and Neck Society formed, 83, 8:45

### **OUTREACH PROGRAMS**

Is a Third-World mission right for you? (Soderdahl), 83, 9:26

Mission to Brazil: A surgical perspective (Coppola and Spector), 83, 8:24

Volunteer health care in Appalachia (Holmes), 83, 1:17  
Wanted: World-class surgeons (Geelhoed), 83, 9:32

## P

### **PEDIATRIC SURGERY**

Pediatric trauma to be emphasized: Trauma meeting slated for June, 83, 4:55

Recognition of physical child abuse (Mooney), 83, 1:35

### **PHYSICIAN REIMBURSEMENT (see also: MEDICARE/MEDICAID)**

As I see it (Ebert), 83, 3:4

College workshops address coding, practice management issues, 83, 8:47

Grassroots report: Florida (Scott), 83, 5:38

In their own words: The CPT Editorial Panel (Borman), 83, 8:34

In their own words: Practice expenses and the resource-based relative value scale (Opelka), 83, 5:36

What surgeons should know about . . . Payment for assistants at surgery (Brown), 83, 10:8

### **PLASTIC AND MAXILLOFACIAL SURGERY**

American Board of Plastic Surgery (Given), 83, 12:59

Dateline: Washington: IOM Hears Views On Breast Implants, 83, 9:6

### **PRACTICE MANAGEMENT**

As I see it (Ebert), 83, 5:4

College workshops address coding, practice management issues, 83, 8:47, 12:80

Getting organized: Are physician unions really the answer? (Markus), 83, 10:19

### **PROFESSIONAL LIABILITY**

At Clinical Congress: Liability issues to be addressed, 83, 9:53, 10:37

Can using emergent technology incur liability? (Adelman and McBryde), 83, 11:18

Chapter News: Pedicle screw litigation update (Peebles), 83, 10:33

College materials prepare surgeons for defense trial, 83, 6:55

Dateline: Washington: Biomaterials Availability Bill Progresses, 83, 5:7

Dateline: Washington: CBO Cites Savings From Liability Reform, 83, 9:7

Dateline: Washington: Data Bank Operations Continue To Expand, 83, 6:7

Dateline: Washington: Medical Liability Bill Introduced, 83, 5:7

Dateline: Washington: Plans for New Data Bank Progress, 83, 1:7

ERISA and medical professional liability (Griffen and Adelman), 83, 7:16

Governors at Work: Committee on Professional Liability (Fischer), 83, 1:40

The National Practitioner Data Bank: What you need to know (Fischer and Oshel), 83, 2:24

The need for tort reform at the state level: An overview (Fischer), 83, 1:25

Reduction of medical liability claim frequency: The Texas experience (Ross), 83, 1:26

## Q

### **QUALITY OF CARE (see also: EVALUATION AND MANAGEMENT)**

Codified principles enhance physician/patient communications (Sandrick), 83, 11:13

Dateline: Washington: Data Bank Operations Continue To Expand, 83, 6:7

Dateline: Washington: Health Care Bill of Rights Issued, 83, 1:6

Dateline: Washington: Plans for New Data Bank Progress, 83, 1:7

Dateline: Washington: President Endorses Patients' Bill Of Rights, 83, 5:6

Decreasing delays in surgery starting times (Sandrick), 83, 1:31

In their own words: The CPT Editorial Panel (Borman), 83, 8:34

In their own words: The Practicing Physicians Advisory Council of the National Committee for Quality Assurance (Newman), 83, 4:47

The National Patient Safety Foundation: What it offers surgeons (Kern), 83, 11:24

Outcomes/quality of life: Guidelines for Forum submissions (Coles), 83, 12:76

Point of view: Performance Measurement and Surgery: An Opportunity to Provide Leadership (Wells), 83, 9:4

Physician profiling legislation (Rogers), 83, 12:34

Quality improvement in thoracic surgery (Carey, Dziuban, Arom, Cimochoowski, Plume, and Grover), 83, 5:24

Regulating managed care and protecting patients' rights (Rogers and Seward), 83, 7:11

What surgeons should know about: NCQA and HEDIS (Rogers), 83, 11:8

## S

### **SOCIOECONOMICS**

Dr. Desmarais named head of Socioeconomic Affairs, 83, 7:53

Governors at Work: Committee on Socioeconomic Issues (Tunner), 83, 2:40

One surgeon's experience on Capitol Hill: An interview with Karen Guice, MD, MPP, FACS (Gallagher), 83, 10:23

## STATISTICS

- At a glance: Commercial health insurance enrollment (Seward), 83, 8:15  
At a glance: Medical education (Rogers), 83, 6:8  
At a glance: Medicare allowed charge and frequency data, 83, 11:11  
At a glance: The Medicare program (Gallagher), 83, 2:12  
At a glance: Mortality data (Hill), 83, 3:8  
At a glance: National health expenditures, 83, 4:8  
Clarification, 83, 9:51

## SURGEONS

- Governors at Work: Committee on Physicians' Health (Greenfield), 83, 1:39

## SURGERY

- American Board of Surgery (Richardson), 83, 12:60  
As I see it (Ebert), 83, 4:4, 6:4  
Dateline: Washington: ACS Writes White House About General Surgery, 83, 8:7  
Martin Memorial Lecture: Operating outside the theater: New challenges for leadership (Frist), 83, 2:13  
The MacPherson Triangulation Technique (Gordon), 83, 2:35  
Point of view: The First 100 Days (Wells), 83, 11:4  
Point of view: Future Challenges for the American College of Surgeons (Wells), 83, 7:4  
Surgical group offers review course, 83, 8:48

## SURGICAL RESEARCH

- AWS sponsors research grant, 83, 3:44  
The *Journal Page*, 83, 1:51, 2:96, 3:48, 4:64, 5:48, 6:64, 7:63, 8:56, 9:63, 10:39, 11:48, 12:92  
Ortho-McNeil to sponsor CD version of *Surgical Forum*, 83, 10:30

## SURGICAL SPECIALTIES

- Taking charge: Specialty surgeons take on managed care (Lanman), 83, 6:33  
Ten specialty boards report goals and achievements, 83, 12:47

# T

## TECHNOLOGY

- Approval of courses in new skills, 83, 3:35  
As I see it (Ebert), 83, 1:4  
At the Clinical Congress: High-tech training tools available (Krummel), 83, 8:44

- Can using emergent technology incur liability? (Adelman and McBryde), 83, 11:18  
CORE to sponsor AAMI conference on medical technology clinical trials, 83, 6:57  
Dateline: Washington: Biomaterials Availability Bill Progresses, 83, 5:7  
New MedWatch article available, 83, 5:40  
Point of view: Separation Technology, Electronic Communication, and the American College of Surgeons (Wells), 83, 10:4  
Statement on Ultrasound Examinations by Surgeons, 83, 6:37  
Ultrasound for the general surgeon: An ACS initiative (Rozycki and Strauch), 83, 10:25  
Verification by the American College of Surgeons for the Use of Emerging Technologies, 83, 5:34

## TRANSPLANTATION

- Dateline: Washington: HHS Issues New Organ Allocation Rules, 83, 5:6

## TRAUMA

- Committee on Trauma has new leadership, 83, 6:51  
COT papers competition winners named, 83, 6:54  
Dateline: Washington: Congress Reauthorizes Trauma Grant Program, 83, 12:7  
Pediatric trauma to be emphasized: Trauma meeting slated for June, 83, 4:55  
Philippines to host trauma forum in November, 83, 5:41  
Recognition of physical child abuse (Mooney), 83, 1:35  
Trauma forum to be held in Philippines, 83, 8:37  
Trauma meetings calendar, 83, 3:41, 6:50, 8:43, 9:54, 10:28, 12:79  
Trauma papers sought, 83, 8:43  
Ultrasound '98 course slated, 83, 2:94

## A

### ACCREDITATION

COC/JCAHO initiate agreement (Sylvester), 84, 6:24

In their own words: The Joint Commission on Accreditation of Healthcare Organizations (Hermann), 84, 2:38

Practices sought for JCAHO survey, 84, 4:35

### AMBULATORY CARE

Dateline: Washington: ACS comments on HOPD proposals, 84, 9:7

Governors at work: Committee on Ambulatory Surgical Care (Berggren), 84, 1:30

Practices sought for JCAHO survey, 84, 4:35

### AMERICAN COLLEGE OF SURGEONS

#### Activities (general)

—The Board report: Y2K at the ACS (Sheldon), 84, 9:3

—Point of view: Approaching the year 2000 (Wells), 84, 1:4

#### Awards

—Claude Organ, Jr., receives top ACS honor

—Honoring surgical pioneers: Dr. Burke receives Jacobson Award, 84, 7:32

#### Candidate and Associate Society (CAS-ACS)

—Candidate and Associate Society to be formed, 84, 9:40

#### Chapters

—Chapter news (Peebles), 84, 2:70, 4:36, 6:28, 8:32, 10:40, 12:51

—Governors at work: Committee on Chapter Activities (Preskitt), 84, 1:31

#### Clinical Congress

—At Clinical Congress: Liability issues to be addressed, 84, 9:38

—Clinical Congress 1999: Highlights, 84, 12:18

—Contributions to the 2000 Surgical Forum are requested, 84, 12:53

- Fifty years at the Forum (Eiseman), 84, 12:12
- 1999 Clinical Congress preliminary program, 84, 7:19
- 1997 and 1998 Congress videotapes available, 84, 11:45
- Official notice: Annual Meeting of Fellows, American College of Surgeons, 84, 9:37
- PG course to consider evidence-based medicine, 84, 9:44
- Practice management consultation available at Clinical Congress, 84, 9:44
- Scientific contributions sought for 2000 Clinical Congress, 84, 12:55

#### **Clinical trials and evidence-based medicine**

- ACOSOG joins intergroup trials, 84, 10:39
- ACOSOG opens new clinical trial in lung cancer, 84, 9:37
- ACOSOG opens study of PET scans and patients with cancer, 84, 11:43
- ACOSOG semi-annual meeting set for November, 84, 10:39
- ACOSOG update, 84, 8:36
- ACS oncology group to hold semi-annual meetings, 84, 2:53, 3:39
- At Clinical Congress: Ethics program to feature genetics/technology, overview of field, 84, 8:30
- CESTE coordinates clinical trial in hernia management (Neumayer), 84, 4:34
- Clinical trials methods: A course for surgeons (Eberlein), 84, 2:49
- From the Chair, Board of Regents (Bender), 84, 8:3
- PG course to consider evidence-based medicine, 84, 9:44

#### **Development**

- The benefits of estate planning (Benson), 84, 4:33
- Considering charitable lead and Crummey trusts (Benson and Campbell), 84, 8:31
- Giving something back to the profession (Berry), 84, 5:40
- Your will is vital (Benson), 84, 6:26

#### **Disciplinary actions**

- Disciplinary actions taken, 84, 2:53, 4:35

#### **Education**

- ACS oncology group to hold semi-annual meetings, 84, 2:53, 3:39, 7:37
- Fellows respond to breast survey (Winchester), 84, 5:33
- A generation of SESAP (Griffen), 84, 5:23
- Symposium explores OR teamwork (Regnier), 84, 8:22

#### **Fellows**

- Ernest A. Codman: The improper Bostonian (Passaro and Organ), 84, 1:16
- Dateline:Washington: Fellow appointed to

MedPAC, 84, 6:6

- Dateline:Washington: Fellows appointed to new MCAC panel, 84, 10:7
- Dr. Walt remembered, 84, 7:33
- Fellows and facts, 84, 4:38, 12:58
- Joel W. Baker, Sr., MD, FACS: A remembrance (Hill and Linderman), 84, 11:39
- John Conley, MD, FACS, dies, 84, 12:49
- Justice triumphs for surgeon prosecuted under “anti-dumping” law (Strauch and Portman), 84, 7:35
- Regents lower age for dues exemption, 84, 8:31

#### **Governors, Board of**

- Governors at work: Committee on Ambulatory Surgical Care (Berggren), 84, 1:30
- Governors at work: Committee on Blood-borne Pathogens (Flint), 84, 2:44
- Governors at work: Committee on Chapter Activities (Preskitt), 84, 1:31
- Governors at work: Committee on Physicians’ Health (Greenfield), 84, 2:45
- Governors at work: Committee on Professional Liability (Griffen), 84, 1:33
- Governors at work: Committee on Socioeconomic Issues (Tunner), 84, 2:46
- Governors at work: Committee on Surgical Practice in Hospitals (Bass), 84, 1:35
- Governors at work: Committee to Study the Fiscal Affairs of the College (Rothhammer), 84, 2:47
- Report of the Chair of the Board of Governors (Nahrwold), 84, 2:43

#### **Honorary Fellowships**

- Citation for Prof. A.G.R. Sheil (Barker), 84, 11:37
- Citation for Prof. Barry O’Donnell (Hendren), 84, 11:36
- Citation for Prof. José Luis Balibrea (Meakins), 84, 11:34
- Citation for Prof. Leo A. Bockeria (Wallace), 84, 11:35
- College awards four Honorary Fellowships, 84, 11:33

#### **Journal of the American College of Surgeons**

- The *Journal* page, 84, 1:56, 2:72, 3:40, 4:40, 5:43, 6:36, 7:40, 8:35, 9:43, 10:43, 11:48, 12:60

#### **Officers and staff**

- ACS Officers and Regents, 84, 3:29, 6:20, 9:32, 12:43
- Claude Organ, Jr., receives top ACS honor, 84, 11:32
- David L. Nahrwold, MD, FACS, named Interim Director, 84, 9:36
- Dr. Morrow joins ACS Cancer Department, 84, 7:31
- James C. Thompson, MD, FACS, becomes 80th ACS President, 84, 11:31
- New members join ACS executive staff, 84, 5:37

—Thomas R. Russell, MD, FACS, named Executive Director, 84, 12:48

#### **Publications/services**

- ACS electronic newsletter debuts, 84, 3:39
- ACS Fellowship directory now online, 84, 3:39
- Advisory Council for General Surgery announces new slide sets, 84, 4:37
- Career opportunities/resume data bank now online, 84, 11:47
- Career opportunity listing to go online, 84, 9:39
- College materials prepare surgeons for defense trial, 84, 6:26

#### **Regents, Board of**

- Highlights of the Board of Regents meeting, Feb. 5-6, 1999 (Lynch), 84, 6:30
- Highlights of the Board of Regents meeting, Oct. 23-35, 1998 (Lynch), 84, 2:60
- Regents lower age for dues exemption, 84, 8:31
- Report of the Chair of the Board of Regents (Bender), 84, 2:42

#### **Scholarships/fellowships**

- ACS scholarships, fellowships, award available, 84, 2:53
- 1999 ACS Faculty Research Fellowships awarded, 84, 4:30
- 1999 International Guest Scholars selected, 84, 4:31
- 1999 Oweida scholar named, 84, 9:40
- 1999 research scholarships and award granted, 84, 1:51
- Surgical research clearinghouse* available, 84, 2:57, 3:34
- Travelling Fellow report (Evans), 84, 11:42
- Travelling fellowship offered, 84, 11:44

#### **Socioeconomic/legislative issues**

- Building strong grassroots: How not to be a victim (Gallagher), 84, 1:23
- College priorities during the 106th Congress (Desmarais), 84, 2:12
- Dateline: Washington: ACS supports incremental reform bills, 84, 4:7
- Governors at work: Committee on Socioeconomic Issues (Tunner), 84, 2:46

#### **Spring Meeting**

- April 25-28, 1999: 27th Spring Meeting set for New York, 84, 1:37

#### **Statements**

- Statement on the surgeon and hepatitis (ACS), 84, 3:21

#### **Testimony**

- The Board report: Relative value roulette (Nahrwold), 84, 10:4
- Dateline: Washington: ACS comments on '99 fee schedule, 84, 2:6
- Dateline: Washington: ACS comments on HOPD proposals, 84, 9:7

—Dateline: Washington: ACS comments on proposed Medicare fee schedule, 84, 11:9

—Dateline: Washington: ACS comments on records confidentiality, 84, 7:6

—Dateline: Washington: ACS endorses bipartisan managed care reforms, 84, 10:6

—Dateline: Washington: ACS endorses Ganske bill, 84, 7:6

—Dateline: Washington: ACS supports incremental reform bills, 84, 4:7

—Dateline: Washington: ACS testifies on trauma funding, 84 6:6

—Dateline: Washington: College comments on sustainable growth rate plan, 84, 1:8

—Dateline: Washington: College endorses collective bargaining proposal, 84, 5:7

—Dateline: Washington: College expresses major concerns about Medicare fee schedule, 84, 1:8

—Dateline: Washington: College voices concerns about GME reform, 84, 2:7

—Dateline: Washington: Comments submitted on NPDB proposal, 84, 4:7

—Dateline: Washington: GAO issues second report on practice expenses, 84, 4:6

—Dateline: Washington: MedPAC submits annual report to Congress, 84, 4:6

#### **Trauma**

—The ACS Capital Program: Ensuring the care of the President (Strauch), 84, 8:15

—College receives grants to support trauma data bank, 84, 1:52

—Dateline: Washington: ACS testifies on trauma funding, 84 6:6

—1999 trauma papers competition winners announced, 84, 7:38

—Trauma and Critical Care '99-Point/Counterpoint XVIII to be held in May, 84, 3:34

—Trauma evaluation and management course targets medical students (Parks), 84, 9:41

—Trauma papers sought, 84, 8:27

#### **Young surgeons**

—Candidate and Associate Society to be formed, 84, 9:40

—Young surgeons meet in Chicago (Ferguson), 84, 8:28

## **C**

#### **CANCER**

ACOSOG joins intergroup trials, 84, 10:39

ACOSOG opens new clinical trial in lung cancer, 84, 9:37

ACOSOG opens study of PET scans and patients with cancer, 84, 11:43

ACOSOG semi-annual meeting set for November, 84, 10:39

ACOSOG update, 84, 8:36  
ACS oncology group to hold semi-annual meetings, 84, 2:53, 3:39  
Clinical trials methods: A course for surgeons (Eberlein), 84, 2:49  
COC/JCAHO initiate agreement (Sylvester), 84, 6:24  
Fellows respond to breast survey (Winchester), 84, 5:33

Physicians study tool to help patients select treatment for breast cancer (Sandrick), 84, 9:24

#### **CLINICAL TRIALS and EVIDENCE-BASED MEDICINE**

ACOSOG joins intergroup trials, 84, 10:39  
ACOSOG opens new clinical trial in lung cancer, 84, 9:37  
ACOSOG opens study of PET scans and patients with cancer, 84, 11:43  
ACOSOG semi-annual meeting set for November, 84, 10:39  
ACOSOG update, 84, 8:36

ACS oncology group to hold semi-annual meetings, 84, 2:53, 3:39  
CESTE coordinates clinical trial in hernia management (Neumayer), 84, 4:34

Clinical trials methods: A course for surgeons (Eberlein), 84, 2:49  
Dateline: Washington: ACS supports incremental reform bills, 84, 4:7

From the Chair, Board of Regents (Bender), 84, 8:3  
—PG course to consider evidence-based medicine, 84, 9:44

#### **COLLECTIVE BARGAINING**

Dateline: Washington: College endorses collective bargaining proposal, 84, 5:7

Dateline: Washington: Hearing held on collective bargaining, 84, 8:4

#### **CONFIDENTIALITY**

Dateline: Washington: ACS comments on records confidentiality, 84, 7:6

Dateline: Washington: Medical records confidentiality bills introduced, 84, 5:6

Dateline: Washington: Medical records confidentiality proposal released, 84, 12:6

In their own words: The National Committee on Vital and Health Statistics and the current health data privacy debate (Detmer), 84, 4:25

Point of view: Patient confidentiality and the medical record (Wells), 84, 6:4

export? (Sheldon), 84, 11:4

The Board Report: Putting the "socio" back in socioeconomics (Carrico), 84, 12:4
