

# ACS/Clinical Congress 2025

October 4-7 | Chicago, IL

*Achieving Our Best Together: #InclusiveExcellence*

*facs.org/clincon2025*

The ACS Clinical Congress is one of the largest surgical meetings of the year, and we are pleased to once again offer our exhibiting companies the opportunity to hold Exhibitor Events. These industry-supported events are coveted opportunities, providing your company maximum exposure to this influential group.

Exhibitor Events include the following benefits to enhance visibility during Clinical Congress 2025:

- Recognition on the official "Thank You" banner
- An advance attendee registration mailing list for event promotion (includes street addresses for a one-time-only use)
- If requested, your event can be listed in the daily *Clinical Congress News*

---

*Thank you for your continued support of the Annual Clinical Congress. We aim to make your experience a powerful one!*

**Companies requesting function space must be confirmed exhibitors at Clinical Congress 2025.**

Third-party organizers requesting space must be the agency of record for the exhibiting company. Permission to use third-party organizers must be requested in writing by the exhibitor on company letterhead.

Clinical Congress 2025 commences on Saturday, October 4 at 8:00 am and adjourns on Tuesday, October 7, at 5:45 pm. Within this period, neither exhibitors nor their agents may conduct, participate in, or support any educational/marketing activities directed toward ACS Clinical Congress participants, other than as part of an approved exhibit in the Clinical Congress Exhibit Hall. Specific time slots offered for exhibitor events are indicated in the table on this page.

**No meetings or events may be scheduled in competition with an officially sanctioned Clinical Congress program without prior written approval of ACS.**

This restriction includes all Exhibitor Events, lectures, sessions, and social functions. Social events are gatherings that are not educational in nature and for which there is no formal program. However, confirmed exhibiting companies may request function space

and times for Exhibitor Events outside of their assigned booth space directly through ACS. Interested exhibitors must complete and submit a Function Space Request Form by the [PDF form](#) to the ACS Convention Office.

**All requests for function space will be handled through the ACS Convention Office. Making requests directly with the venues is prohibited.**

If you are planning a function at a location other than the official ACS Clinical Congress hotels or convention center, written approval must still be granted by ACS prior to finalizing your arrangements. Space will be assigned on a first-come, first-served basis.

PLEASE NOTE: The ACS Clinical Congress Convocation ceremony is held the evening of Saturday, October 4 at 6:00 pm. No exhibitor event time slots will be offered or approved during this time.

To secure space for an Internal Staff Meeting, please contact:

<b>Time/Location</b> 6:00 - 10:00 pm / Hotel	
Date	Fee
Monday, October 6	\$31,800
<b>Time/Location</b> 6:00 - 10:00 pm / Hotel	

\*Subject to change

No CME Credit can be provided by ACS for any Exhibitor Event.

Requests for exhibitor events **MUST** include the following information pertaining to the planned events:

- Day, date, time, and title of meeting/event
- General description of educational content and/or agenda topics
- List of presenters
- Supporter(s) of event
- Anticipated attendance and registration fee (if any)
- Contact information
- Completed Function Space Request Form

**July 18, 2025**, is the **DEADLINE** for receipt of Function Space Requests for events. Requests will be accepted past this deadline but are confirmed on a space-available basis only.

DEADLINE  
**JULY 18**

Once ACS approves the event, a **nonrefundable fee** (see schedule) is required, which provides the exhibiting company the exclusive right to conduct an exhibitor event. Actual meeting expenses/costs related to the promotion and/or coordination of the event are additional and are the responsibility of the event organizer. No additional fees are charged by ACS other than for those services requested from ACS, such as advance invitations, hotel door drops, and or other ACS promotional opportunities.

Requests cannot be made directly with the venues. If you require substantial meeting space, please submit your requests along with your block housing request of more than nine (9) rooms. The housing request form can be found on the ACS Clinical Congress 2025 [housing page](#). If you are planning a function at locations other than the official ACS Clinical Congress hotels or convention center, written approval must be granted by ACS prior to finalizing your arrangements. Exhibitors who contract third parties to plan functions are required to submit a letter of authorization on the exhibitor's letterhead stating the name of the third party and designating them as their agent. This letter must accompany the Request Form. Upon receipt of payment, the ACS Convention Office will confirm arrangements and notify supporting companies of their space signments. The supporting company is responsible for finalizing all arrangements with the assigned venue.

After event space is assigned, ACS accepts no responsibility for the planned function.

Although ACS provides function space, it does not endorse your function and does not consider it to be part of the official program. Functions being held may not make use of the ACS name or logo, or in any way imply the function is endorsed or co-sponsored by ACS. All invitations, registration brochures, and promotional materials must be submitted to ACS for approval prior to printing.
