RTTDC 5th Edition Workgroup Committee Overview

Workgroup members will be assigned a content area overseen by a content lead and RTTDC Steering Committee. Workgroups will begin in March of 2025 with expected course launch date of March 2026. Members of the RTTDC Workgroup will serve as content experts responsible for outlining, authoring and reviewing assigned content area. Deliverables include course manual textbook and course PowerPoint slides.

It is critical that the content represents a rural, military and global perspective.

Committee Deliverable(s)
