### QPort Resource Sharing

- Explore Resources
- Sections for general forms, manuals, templates, site visit information, corrective action instructions, and more!

---

---

---

---

---

---

---

---

---

---

12

### Documents and Documentation

- QPort Resources: "Accreditation Folder Structure Tutorial"
- Program vs facility
  - Fiscal year or calendar year (standards)
  - Formatting minutes
  - Policies and procedures
- PRQ tip: in PRQ standard comment section, identify key pages/paragraphs in facility policy or explain if policy changed during review time years

13

---

---

---

---

---

---

---

---

### Documents and Documentation

- Documenting change in policy
  - Summary statement in PRQ
  - If applicable, submit old version
- PRQ tip: if submitting long policy/procedure, highlight pertinent information

14

---

---

---

---

---

---

---

---

### Accreditation Synergy

- Success of one program helps other programs
- Accreditation cycle differences
- Standards may overlap – but still different
- CoC – NAPBC templates:
  - Oncology Nursing Credentials
  - Physician Certification
  - Quality Improvement Initiative
  - Clinical Research

15

---

---

---

---

---

---

---

---

## Templates

- Useful for tracking purposes
  - Committee attendance
  - Physician credentials/education
  - Nursing/Physician Assistant/ODS (Registrar) certification/education
- Tool to develop projects
  - Quality initiatives
  - Program goals/Barriers/Education

---

---

---

---

---

---

---

---

16

## Using Templates

- Building blocks

---

---

---

---

---

---

---

---

17

## Completing templates

Quality Improvement Initiative Year (yyyy):	
Study title	Succinct but descriptive
Date the quality improvement initiative was completed (mm/dd/yy)	Important for tracking
Problem statement (The problem statement must include numerical baseline and goal metrics and anticipated timeline)	Be sure to include the requirements
How problem was identified	Limit to how problem was identified – plan will be described later
Quality improvement initiative team members	Have you remembered to include the physicians (e.g., CLP)?
Performance improvement tool (e.g., PDSA, DMAIC)	Identify tool – okay if it isn't PDSA or DMAIC
Data (identifying all possible factors contributing to problem (e.g. root cause))	What did you look at to find the root(s) of the problem?
Results of data analysis, discussion and decisions	THIS is for your results – let them shine here, not obscured in other fields
Comparison to national data (if available)	List your comparison source – if none, suggest stating
Intervention implemented	List all interventions – the good, bad, and iffy
Results of implemented intervention	Even if something didn't work, there's value to identifying that
Planned next steps (as appropriate)	This ties back to the 2 <sup>nd</sup> row – are you done or more is needed?

### Complete templates

Template should contain sufficient information to begin building your committee report

---

---

---

---

---

---

---

---

19

### Minutes

- Disclaimer – not legal advice!  
(See your hospital administrative, legal, and quality departments regarding your specific minutes)

---

---

---

---

---

---

---

---

20

### Importance of minutes

- Evidence that meeting occurred
- Record of discussions and actions
- Sharing information

---

---

---

---

---

---

---

---

21

## Minutes and reports

- Documenting reports
  - Summary of discussion
  - Screen shots of templates
  - Embedding/linking reports in minutes
  
- PRQ tip: Critically review your templates if using them as committee reports

---

---

---

---

---

---

---

---

22

## Finding your minutes

- Mystery or inconsistent naming

ABC Cancer Center Committee Minutes Q1 2022  
 ABC Cancer Center Committee Minutes Q2 2022  
 ABC Cancer Center Committee Minutes Q3 2022  
 ABC Cancer Center Committee Minutes Q4 2022  
 CoC Meeting Minutes 4-30-2023  
 CoC Q1 2023 meeting mins  
 Q4 CoC minutes 12-1-2023  
 CoC minutes Quarter 3 9-20-23

- PRQ comment:

For Year 2, the minutes are not attached but the presentations are. The minute taker responsible for the minutes retired and we were unable to locate the minutes for that time period.

## Minutes Format

- Common format

Standard # and Presenter Name	Discussion	Follow up	Responsible Person
	<ul style="list-style-type: none"> <li>➢ Objective</li> <li>➢ Important</li> <li>➢ Relevant</li> <li>➢ Meaningful</li> <li>➢ Key decision points</li> <li>➢ Concise</li> </ul>

## Minutes Format

• Common format

Standard # and Presenter Name	Discussion	Follow up	Responsible Person
	<ul style="list-style-type: none"> <li>▪ Missing information</li> <li>▪ Extraneous information</li> <li>▪ Lack of relevant information</li> <li>▪ Action and discussion unclear</li> <li>▪ No actions noted for items needing actions</li> <li>▪ Lack of follow-up</li> <li>▪ Meeting according to schedule</li> </ul>		
Coc Standard 2.4	"Dr. Jones asked if Ms. Smith if she would like to go over the attendance requirements." ...and what happened? Was there a discussion?		

25

---

---

---

---

---

---

---

---

---

---

## Annual or triennial cycle activities

- Appointments – annually or once each cycle
- Annual reports – last quarter or first quarter of next calendar year
- Does your template have the correct meeting date?

26

---

---

---

---

---

---

---

---

---

---

## Writing minutes

- No “school” for training
- Perpetuating habits – good and bad
  - Format of minutes
  - What’s a key point
  - Tracing approvals
  - Tracing follow-up actions
  - Filing minutes
- Seek help from knowledgeable resources
