

NEXTGEN IN MEDICINE SPEAKER SERIES

Navigating the Business of Medicine: Key Insights and Strategies to Find the Right Fit for Your First Job

Join us for the insightful webinar "Navigating the Business of Medicine: Key Insights and Strategies to Find the Right Fit for Your First Job," presented by Jessica Minesinger, CMOM, FACMPE, Founder and CEO of Surgical Compensation & Consulting (SCC). With a rich background in physician compensation and practice management, Jessica empowers physicians with data-driven negotiation strategies to ensure fair pay and cultural fit. A seasoned expert and Fellow of the American College of Medical Practice Executives (ACMPE), her expertise includes physician contracting, compensation analysis, and addressing gender pay equity. In this session, Jessica will share essential strategies for negotiating job offers and understanding the importance of cultural fit in the workplace, making it crucial for medical professionals preparing to navigate their first job contracts in the healthcare industry.
