Fellowship Pledge

Recognizing that the American College of Surgeons seeks to exemplify and develop the highest traditions of our ancient profession, I hereby pledge myself, as a condition of Fellowship in the College, to live in strict accordance with its principles and regulations.

I pledge myself to pursue the practice of surgery with honesty and to place the welfare and the rights of my patient above all else. I promise to deal with each patient as I would wish to be dealt with if I were in the patient's position, and I will set my fees commensurate with the services rendered. I will take no part in any arrangement, such as fee splitting or itinerant surgery, which induces referral or treatment for reason other than the patient's best welfare.

Upon my honor, I declare that I will advance my knowledge and skills, will respect my colleagues, and will seek their counsel when in doubt about my own abilities. In turn, I will willingly help my colleagues when requested.

Finally, I solemnly pledge myself to cooperate in advancing and extending the art and science of surgery by my Fellowship in the American College of Surgeons.

The President 1993-1994

This evening, Lloyd D. MacLean, MD, FACS, of Montreal, PQ, will be installed as the 74th President of the American College of Surgeons. A general surgeon, Dr. MacLean is senior surgeon at Royal Victoria Hospital and professor, Department of Surgery, at McGill University, both in Montreal, PQ.

Dr. MacLean earned a medical degree from the University of Alberta in Edmonton in 1949 and served a rotating internship at the University of Alberta Hospital from 1949 to 1950, as well as a surgical internship at the University of Minnesota Hospitals in Minneapolis from 1950 to 1951. He also served his residency in surgery at the University of Minnesota Hospitals from 1951 to 1956 and earned a PhD in surgery and physiology, from the University of Minnesota in 1957.

From 1956 to 1958, Dr. MacLean became an instructor in the Department of Surgery at the University of Minnesota; from 1958 to 1959, an assistant professor; and from

1959 to 1962, an associate professor. From 1962 to the present, Dr. MacLean has served as professor of surgery at McGill University, Montreal, PQ, and, from 1987 to 1993, was named the Edward W. Archibald Professor in the Department of Surgery.

Dr. MacLean was named surgeon-in-chief at Ancker Hospital, which is now the St. Paul-Ramsey County Hospital, St. Paul, MN, from 1957 to 1962. From 1962 to 1988, he served as surgeon-in-chief at Royal Victoria Hospital, Montreal, PQ, and assumed his current position as surgeon at Royal Victoria Hospital in 1989.

Since becoming a Fellow of the American College of Surgeons in 1959, Dr. MacLean has served the College in various capacities—as secretary in 1981, member of the Board of Regents from 1983 to 1992, chairman of the Program Committee, and member of the Board of Directors of the Franklin H. Martin Memorial Foundation from 1984 to 1989.

Dr. MacLean has been awarded membership in 24 academic, regional, national, and international medical associates and societies, and he has held leadership positions in many of these groups. He was second vice-president of the American Surgical Association (1983), and president of the Central Surgical Association (1982-1983), the International Surgical Group (1989-1990), the James IV Association of Surgeons (1990-1991), and the American Surgical Society (1992-1993). A former Markle Scholar in Medical Sciences, Dr. MacLean is also a honorary fellow of the Royal College of Surgeons in Edinburgh.

Throughout his career, Dr. MacLean has held visiting professorships at nearly 50 medical institutions in the United States and abroad, most recently with Tohoku University in Sendai, Japan. He has been awarded Honorary Doctor of Science degrees by the University of Alberta (1989) and McGill University (1990). Dr. MacLean has served on the editorial boards of several medical journals, including the *Canadian Journal of Surgery* and the *Annals of Surgery*, in addition to authoring and co-authoring more than 300 scientific and medical publications.

Dr. MacLean and his wife Eleanor have five children: Hugh, Charles, Ian, James, and Martha.
